a globe mail best business book of 2021 the covid 19 pandemic forced an unprecedented experiment that reshaped white collar work and turned remote work into a kind of new normal now comes the hard part many employees want to continue that normal and keep working remotely and most at least want the ability to work occasionally from home but for employers the benefits of employees working from home or hybrid approaches are not so obvious what should both groups do in a prescient new book the future of the office work from home remote work and the hard choices we all face wharton professor peter cappelli lays out the facts in an effort to provide both employees and employers with a vision of their futures cappelli unveils the surprising tradeoffs both may have to accept to get what they want cappelli illustrates the challenges we face by in drawing lessons from the pandemic and deciding what to do moving forward do we allow some workers to be permanently remote do we let others choose when to work from home do we get rid of their offices what else has to change

depending on the approach we choose his research reveals there is no consensus among business leaders even the most high profile and forward thinking companies are taking divergent approaches facebook twitter and other tech companies say many employees can work remotely on a permanent basis goldman sachs jp morgan and others say it is important for everyone to come back to the office ford is redoing its office space so that most employees can work from home at least part of the time and gm is planning to let local managers work out arrangements on an ad hoc basis as cappelli examines earlier research on other types of remote work including telecommuting offers some guidance as to what to expect when some people will be in the office and others work at home and also what happened when employers tried to take back offices neither worked as expected in a call to action for both employers and employees cappelli explores how we should think about the choices going forward as well as who wins and who loses as he implores we have to choose soon

are you tired working far from home or looking for a gig to earn you extra money there is a plethora of opportunities available for those who want to work from home especially the stay home moms you probably went to school and had earned a degree you spent sleepless nights working on your education so that you could further your career unfortunately motherhood demands much from you and you decide to quit your 9 5 job or your boss is stressing you or even the job you got does not make you happy regardless of your gender age or skin or height today s economy does not cut anybody any slack bills have to be paid and you have to feed and dress your children and yourself so is it possible to have a profitable and fruitful career while working at home well the answer is yes only if you balance your life with your professional background experience and determination this is achievable if you probably did not manage to get a degree that doesn t mean you should give up not at all fear should not hold you back that your skills are not honed enough to turn them into viable dreams relax it s not utterly necessary to have a distinct set of skills to be able to work from home you have as many opportunities as those with degrees do often they seek a different type of jobs out of the available pool of jobs this book has been curated to help you work comfortably from home we will see the different careers you could take while working from home the advantages as well as the disadvantages of working from home and how to set up a routine that will help you manage your time wisely i invite you to grab a copy of this book and change your perspective of working from home

do you put family photos on your desk at work are your home and work keys on the same chain do you keep one all purpose calendar for listing home and work events do you have separate telephone books for colleagues and friends in home and work christena nippert eng examines the intricacies and implications of how we draw the line between home and work arguing that relationships between the two realms range from those that are highly integrating to those that are highly segmenting nippert eng examines the ways people sculpt the boundaries between home and work with remarkable sensitivity to the symbolic value of objects and actions nippert eng explores the meaning of clothing wallets lunches and vacations and the places and ways in which we engage our family friends and co workers commuting habits are also revealing showing how we make the transition between home and work selves though ritualized behavior like hellos and goodbyes the consumption of food the way we dress our choices of routes to and from work and our listening working and sleeping habits during these journeys the ways each of us manages time space and people not only reflect but reinforce lives that are more integrating or segmenting at any given time in clarifying what we take for granted this book will leave you thinking in different ways about your life and work

working online or remotely has become a necessity for many this year however this is just the start of a larger trend it is predicted that by 2027 the majority of the us workforce will be working remotely online the office work lifestyle is familiar to most people get dressed in your company clothes commute to work work in a room with a few other people take scheduled breaks et cetera but remote workers at online jobs don't encounter most of those situations they don't need to get dressed in company attire or commute to work but it can be difficult for online workers to navigate working away from the office best practices are not as well defined because online work at least in its current form is still relatively new so it can be difficult to know how you should act when working from home there is no single formula for how to become an efficient online worker everyone will work at different times and have different tips on how to make the most of their time indeed one of the major benefits of remote work is the flexibility it affords working from home means that you can adjust your schedule to suit your commitments and your timetable as it is in your hands now however this means that you need to learn what works best for you when managing your priorities and time and everyone is slightly different that said there are a few common practices you can expect to use as a remote worker in this guide we've compiled the best practices for online remote workers ranging from how to participate in meetings to how you can find an online job as a remote worker if you're working from home or aspire to do so this guide is for you
