on the surface mia tyler led a seemingly perfect life she was a world renowned plus size model and the daughter of Aerosmith's Steven Tyler and seventies it girl Cyrinda Foxe but growing up under the shadow of celebrity wasn't as glamorous as it's cracked up to be from a poverty stricken childhood in New Hampshire to running with troubled rich kids on Manhattan's Upper East Side she has an incredible story to tell in *Creating Myself* mia shares scintillating details about her rock and roll family as well as battling her own personal demons dumping her mother's cocaine vial down the toilet at just eight years old running around backstage at her father's concerts including the one where she first met her sister Liv and attempting to distract herself from her pain through drug addiction and self mutilation yet this memoir is ultimately a tale of redemption mia learns that in order to truly grow up she must forgive both herself and those who hurt her give up the quest for perfection and acknowledge that she is still a work in progress *Creating Myself* is raw and inspirational the tale of a hell and back journey from the depths of depression and addiction to triumphant self discovery

within five years of their explosion on to the US rock scene Aerosmith withered and died musically only to return successfully five years later the author draws on numerous interviews with the band and their associates over a 12 year period to recount the fall and rise of Aerosmith

this book is a message from autistic people to their parents friends teachers coworkers and doctors showing what life is like on the spectrum it's also my love letter to autistic people for too long we have been forced to navigate a world where all the road signs are written in another language with a reporter's eye and an insider's perspective Eric Garcia shows what it's like to be autistic across America Garcia began writing about autism because he was frustrated by the media's coverage of it the myths that the disorder is caused by

vaccines the narrow portrayals of autistic people as white men working in silicon valley his own life as an autistic person didn't look anything like that he is latino a graduate of the university of north carolina and works as a journalist covering politics in washington d c garcia realized he needed to put into writing what so many autistic people have been saying for years autism is a part of their identity they don't need to be fixed in we're not broken garcia uses his own life as a springboard to discuss the social and policy gaps that exist in supporting those on the spectrum from education to healthcare he explores how autistic people wrestle with systems that were not built with them in mind at the same time he shares the experiences of all types of autistic people from those with higher support needs to autistic people of color to those in the lgbtq community in doing so garcia gives his community a platform to articulate their own needs rather than having others speak for them which has been the standard for far too long
