can one car transform a nation the ford model t did do so a century ago when it replaced the horse brought about a revolution in agriculture became a stimulus to urbanization that eventually changed the landscape of america though the maruti 800 the tata indica the hyundai santro and the maruti alto became engines of growth for india these cars neither drove away the cow nor changed the way indians travelled tataâ s nano was expected to change all that and become the ultimate peopleâ s car capturing the imagination of the middle class across nations and cultures in spite of its petite dimensions the nano was meant to stand tall yet it did not what caused it to fail and fall from grace despite being lauded as the â right product at the right timeâ and â the most significant new car since the ford model t was introduced 100 years agoâ but is it really all over or is there still hope for indiaâ s â little wonderâ what will the peopleâ s cars of tomorrow be like a million cars for a billion people delves into the questions concerns and doubts as well as the many misconceptions and myths that have gathered momentum over the years about indiaâ s automotive history and the industryâ s mission to create a true â peopleâ s carâ the very first cars that came to india the early beginnings of the industry the nascent history of the automobile across nations like germany france us the uk italy japan and south korea is narrated with authority and charm from the viewpoint of the quest for the ultimate peopleâ s car

this book is a study of the basque variety spoken in lekeitio vizcaya as such we have intended to make a direct contribution to basque dialectology aiming at setting certain standards for research in this area in addition we believe that some of the materials assembled in this work will be of interest to a larger audience beyond basque specialists it is for this reason that we decided to write the present book in english in our opinion certain linguistic aspects are treated in more detail here than in any previous work on any other basque variety a case in point would be accentuation both at the lexical level and in its relation to the syntactic process of focalization
