into the wild meets walden a lyrical memoir for nature lovers and for anyone who has wondered what it would be like to disconnect from our hyper connected culture and seek more meaningful connections after losing vision in one eye and becoming estranged from his family and friends a young man spent two years searching for identity in self imposed solitude in the backwoods of northern vermont where he embarked on a project of stripping away facades and all social ties and learned to face himself on a clear may afternoon at the end of his junior year at harvard howard axelrod played a pick up game of basketball in a skirmish for a loose ball a boy s finger hooked behind axelrod s eyeball and left him permanently blinded in his right eye a week later he returned to the same dorm room but to a different world a world where nothing looked solid where the distance between how people saw him and how he saw had widened into a gulf desperate for a sense of orientation he could trust he retreated to a jerry rigged house in the vermont woods where he lived without a computer or television and largely without human contact for two years he needed to find a more lasting sense of meaning away from society s pressures and rush named one of the best books of the year by slate chicago tribune entropy magazine and named one of

the top 10 memoirs by library journal

there were holes in sam mills s life when she was growing up times when her dad was just absent for reasons she didn t understand as she grew older she began to make up stories about the periods when he wasn t around that he d been abducted spirited away and held captive by a mysterious tribe who lived at the bottom of the garden the truth that he suffers from a rare form of paranoid schizophrenia and was hospitalised intermittently slowly came into focus and that focus became pin sharp in 2012 when sam s mother died and sam was left as his primary carer in this powerful poignant memoir sam triangulates her own experience with the stories of two other carers one she admires and one on some days she fears she might become leonard woolf husband to virginia and f scott fitzgerald husband to zelda and a man whose personality made him ill equipped in a great many ways to be a carer for his troubled wife a mesmerising blend of literary biography and memoir the fragments of my father is a compelling and moving account of what it means to be a carer
