what makes us human what if anything sets us apart from all other creatures ever since charles darwin s theory of evolution the answer to these questions has pointed to our own intrinsic animal nature yet the idea that in one way or another our humanity is entangled with the non human has a much longer and more venerable history in the west it goes all the way back to classical antiquity this grippingly written and provocative book boldly reveals how the ancient world mobilised concepts of the animal and animality to conceive of the human in a variety of illuminating ways through ten stories about marvelous mythical beings from the trojan horse to the cyclops and from androcles lion to the minotaur julia kindt unlocks fresh ways of thinking about humanity that extend from antiquity to the present and that ultimately challenge our understanding of who we really are

humanism is the most dangerous religion ever foisted upon mankind it subtly attacks the very heart mind and soul of people of all ages christians need to protect their children our christian leaders of tomorrow from the corrupting influences of this deadly philosophy i urge all concerned christians to read four trojan horses of humanism to assist them in arming themselves for this battle tim lahaye back cover
