living in the shadows of a rich and sick society is a chilling reality depicting the rising level of violence among teens increased alcohol and drug abuse and the continuous exploitation of children which has become a widespread phenomena that has developed into a scandalous situation in our homes schools communities and that all too often ends up in many grave yards the spiral of youth problems and issues has created challenges for our schools the police the courts and our neighborhoods it is my belief that solutions to most of these problems are no longer a local matter our government must establish a national new team philosophy and commitment to address the physical social economical psychological and technological problems of our youth in our changing world it is my belief that the social problems of teens youth violence and miss education will continue to become major issues for a very long time unless some immediate and drastic actions are implemented in spite of the advancement of technology and the achievements in education businesses government and faith institution there is no single source within our societies that is more important that is in danger than the foundation of family the day break of a new culture is at hand in which the youth culture must be taken very seriously it is time for a cultural make over our civilize society can no longer wait for an early afternoon break in a rich republic like ours we can no longer side step our civic responsibilities of knowing that the foundation of the family is in danger the new day is now tomorrow is not promised our civilized society can no longer wait for an early afternoon immediate action is need to address the black sheep attitude of this nation our young people are restless they have been awakened to the misgivings of their adult counterparts do as i say but not as 1 do there is a silent revolution taking place in our youth culture of internet forums to challenge our institutions may be for good or for evil actions however soon they will be no more silent in the outcome the youth population must be taken very serious concerning their aggressive disobedience to parents their uncaring attitudes towards their peers and civic disorder to institutions government both state and local jurisdictions will need to reassert their methods in developing regional strategies and collective programs that at times will
