the supreme court s 1919 decision in schenck vs the united states is one of the most important free speech cases in american history written by oliver wendell holmes it is most famous for first invoking the phrase clear and present danger although the decision upheld the conviction of an individual for criticizing the draft during world war i

it also laid the foundation for our nation's robust protection of free speech over time the standard holmes devised made freedom of speech in america a reality rather than merely an ideal in the free speech century two of america's leading first amendment scholars lee c bollinger and geoffrey r stone have gathered a group of the nation's leading constitutional scholars cass sunstein lawrence lessig laurence tribe kathleen sullivan catherine mckinnon among others to evaluate the evolution of free speech doctrine since schenk and to assess where it might be headed in the future since 1919 first amendment jurisprudence in america has been a signal development in the history of constitutional democracies remarkable for its level of doctrinal refinement remarkable for its lateness in coming in relation to the adoption of the first amendment and remarkable for the scope of protection it has afforded since the 1960s over the course of the first amendment century judicial engagement with these fundamental rights has grown exponentially we now have an elaborate set of free speech laws and norms but as stone and bollinger stress the context is always shifting new societal threats like terrorism and new technologies of communication continually reshape our understanding of what speech should be allowed publishing on the one hundredth anniversary of the decision that laid the foundation for america's free speech tradition the free speech century will serve as an essential resource for anyone interested in how our understanding of the first amendment transformed over time and why it is so critical both for the united states and for the world today

this grand tour of first amendment law underlines the intimate connection between free expression and democratic values as it leads us through the most treacherous and emotionally charged cases in american jurisprudence intellectually venturesome the new york times book review

when gregory lee johnson burned an american flag as part of a political protest he was convicted for flag desecration under texas law but the supreme court by a contentious 5 to margin overturned that conviction claiming that johnson's action constituted symbolic and thus protected speech heated debate continues to swirl around that controversial decision both hailed as a victory for free speech advocates and reviled as an abomination that erodes the patriotic foundations of american democracy such passionate yet contradictory views are at the heart of this landmark case book jacket

this is the text of an inaugural lecture delivered by the professor of linguistics at the university of ghana legon he examines the cultural foundations of free speech as well as

the ripples of traditional speech and communication within contemporary society his study is within the context of the modernisation of communication and the attempt to supplant or pluralise the legacy of indigenous language and face to face communication highly cherished in africa with modern norms seeking to move africa from an oral to a chirographic society he considers the compounding of the issues by highly advanced systems of information technology that relocate the physical world in cyber space and transmutes the vast boundaries of the world into an electronic village

following the events of 9 11 rashly conceived anti terror laws were introduced that put civil liberties at risk free speech in fearful times offers a unique perspective on how the laws created to protect us can actually harm us

fifty controversial cases decided by the supreme court show how the first amendment protects freedom of speech and freedom of the press

instead we should conceive of free speech first and foremost as a means to achieve civic deliberation and true popular sovereignty building on james madison sunstein proposes a new deal for the first amendment a new interpretation that attacks undifferentiated absolutism and replaces it with a vision of responsible public life sunstein examines broadcasting campaign finance hate speech pornography government art funding commercial speech and the privacy of rape victims he insists that political speech essential for the functioning of any democracy must not only be protected but encouraged if the government say were to use broadcasting markets to encourage attention to public issues and diverse points of view the first amendment would not stand in the way nonpolitical speech on the other hand should be less fully protected when it conflicts with other interests and rights such as that of privacy

impassioned scholarly and succinct the times free speech and why it matters free speech is the bedrock of all our liberties and yet in recent years it has come to be mistrusted a new form of social justice activism which perceives language as potentially violent has prompted a national debate on where the limitations of acceptable speech should be drawn governments throughout europe have enacted hate speech legislation to curb the dissemination of objectionable ideas silicon valley tech giants are collaborating to ensure that they control the limitations of public discourse and campaigners in the us are calling for revisions to the first amendment however well intentioned these trends represent a threat to the freedoms that our ancestors fought and died to secure in this incisive and fascinating book andrew doyle addresses head on

the most common concerns of free speech sceptics and offers a timely and robust defence of this most foundational of principles

this is a superb book we are well launched into a new generation of 60s scholarship and the free speech movement will be at the center of it the analysis and personal recollection mix well arguing persuasively for the never to be underestimated place of contingency in history todd gitlin author of media unlimited and the sixties years of hope days of rage this powerful book not only will be the classic work on the free speech movement but also will be combed as a basis for hypotheses and new research on the movements of the 60s it's absolutely thrilling full of large implications for history social movements and character the book contributed to my self knowledge personal political and professional and will do the same for others it combines humor and a firsthand i was there flavor with provocative analyses as a serious original work of scholarship this gives edited volumes back their good name jesse lemisch professor of history emeritus john jay college of criminal justice of the city university of new york and author of the american revolution seen from the bottom up this book gets the free speech movement and its significance exactly right from the civil rights origins to refusing to idealize the moment at the expense of what came later and no two better editors could be doing it michael rogin author of ronald reagan the movie and other episodes in political demonology as a journalist i was in berkeley s sproul plaza to witness the mass arrests of the free speech movement demonstrators in december 1964 as a citizen i've always known that this was one of the pivotal moments in the great political and moral awakening of the 1960s as a reader i found much to feast on in this splendid and thoughtful collection of essays about a movement whose effects and inspiration are with us still adam hochschild author of king leopold's ghost a story of greed terror and heroism in colonial africa the free speech movement was a pivotal moment in the evolution of student rights and university responsibilities these splendid essays memorialize this period and offer competing perspectives on its meaning though differing widely in conclusions collectively and individually they stand testament to the conviction that the price of freedom is eternal vigilance and that the critical test of freedom of expression is the right of others to speak out on behalf of what we believe to be wrong geoffrey r stone author of eternally vigilant freedom of speech in the modern era this rich and entertaining set of essays offers remarkable insight into the genesis development and consequences of the free speech movement written largely by participants and close observers these essays offer both personal and analytical assessments of the roles of students faculty and administrators above all the chapters

on mario savio demonstrate his unusual capacity for leadership charismatic without being dogmatic committed to the cause while retaining a capacity to think and deal openly with dissent this book should be read by anyone interested in understanding university and national politics in the 60s chancellor robert m berdahl university of california berkeley

most liberal societies are deeply committed to free speech but there is evidence that some kinds of speech can be harmful in ways that are detrimental to important liberal values such as social inequality this volume draws on a range of approaches in order to explore the problem and determine what ought to be done about allegedly harmful speech

this volume deals with questions of political and constitutional principle and theory that affect the law and regulation of content in new media that are based on digital technology in the light of convergence between different forms of communication it examines whether the justifications for government intervention in traditional analogue broadcasting and programme delivery continue to be persuasive the essays examine in general whether new approaches to freedom of expression are required in the digital era and whether there is a continued role for public service broadcasting or its equivalent they also explore content standards in more detail discussing arguments for and against regulation in the areas of beliefs indecency and advertising and whether there is a case for the european union s measures to secure television without frontiers

law review 46 pp 81 115

one of the great benefits of living in a free country is having the right to freely express yourself in the united states the constitution guarantees free speech for everyone this freedom also applies to writing art music and other forms of expression still there are limits sometimes students face greater restrictions from their schools knowing your rights of free speech can be empowering and encourage people to put forth their beliefs opinions and ideas this book explains issues of free speech in today s world and gives readers the knowledge they need to fully exercise this basic human right
