a lush exploration of the vibrant and important traditions of día de muertos mexico s holiday for celebrating passed loved ones whether you are new to the holiday and celebrating for the first time looking to process a recent loss or just interested in this authentic mexican cultural tradition mexico s day of the dead paints a vibrant picture of one of the country s most storied and sacred holidays with photographer christine chitnis by her side author luisa navarro documents the most breathtaking displays as well as the artisans and people who keep the traditions alive she delves into the origins of the holiday its rich iconography and modern day customs thoughtful essays on the evolution of día de muertos are coupled with practical guides for celebrating it yourself as luisa shares her tips for cultivating your own day of the dead traditions turn to mexico s day of the dead for

approachable diy projects build your own altar make your own sugar skulls create papel picado and bake your own delicious pan de muerto at home this landmark book brings day of the dead to life with transportive photography high end finishes and eye catching stained edges

why do we celebrate halloween no one gets the day off and unlike all other major holidays it has no religious or governmental affiliation a survivor of our pre christian agrarian roots it has become one of the most popular and widely celebrated festivals on the contemporary american calendar jack santino has put together the first collection of essays to examine the evolution of halloween from its celtic origins through its adaptation into modern culture using a wide variety of perspectives and approaches the thirteen essayists examine customs communities and material culture to reveal how halloween has manifested itself throughout all aspects of our society to become not just a marginal survivor of a dying tradition but a thriving contemporary post industrial festival its steadily increasing popularity despite overcommercialization and criticism is attributed to its powerful symbolism that employs both pre christian images and concepts from popular culture to appeal to groups of all ages orientations and backgrounds however the essays in this volume also suggest that there is something ironic and unsettling about the immense popularity of a holiday whose main images are of death evil and the grotesque halloween and other festivals of death and life is a unique contribution that questions our concepts of religiosity and spirituality while contributing to our understanding of halloween as a rich and diverse reflection of our society s past present and future identity

in december 1846 john jacob oswandel or jake as he was often called enlisted in the monroe guards which later became company c of the first pennsylvania volunteer regiment thus began a twenty month journey that led oswandel from rural pennsylvania through the american south onward to the siege of veracruz and finally deep into the heart of mexico waging war with mexico ultimately realized president james k polk s long term goal of westward expansion all the way to the pacific ocean for general winfield scott the victorious mexico city campaign would prove his crowning achievement in a fifty three year military career but for oswandel the grand adventure of our lives was about patriotism and honor in a war that turned this twenty something bowsman into a soldier notes of the mexican war 1846 1848 is the quintessential primary source on the mexican war from oswandel s time of enlistment in pennsylvania to his discharge in july of 1848 he kept a daily record of events often with the perception and intuition worthy of a highly ranked officer in addition to oswandel s engaging narrative timothy d johnson and nathaniel cheairs hughes jr provide an introduction that places oswandel s memoir within present day scholarship they illuminate the mindset of oswandel and his comrades who viewed the war with mexico in terms of manifest

destiny and they give insight into oswandel s historically common belief in anglo saxon superiority views that would bring about far worse consequences at the outbreak of the american civil war a dozen years later as historians continue to highlight the controversial actions of the polk administration and the expansionist impulse that led to the conflict notes of the mexican war 1846 1848 opens a window into the past when typical young men rallied to a cause they believed was just and ordained oswandel provides an eyewitness account of an important chapter in america s history

in the voice of the coyote j frank dobie melds natural history with tales and lore in articulating the complex and often contentious relationship between coyotes and humans based on his own life experiences in texas and twenty five years of research dobie forges a sympathetic and nuanced picture of the coyote prefiguring later environmental and conservation movements he recognizes the impact of human action on the coyote while also examining the prominent role of the coyote in the myths and legends of the west

discusses the history language religion customs and daily life of mexico using a variety of activities to reinforce the information

describes the activities associated with the mexican holiday known as the day of the dead

mexico s rebellious afterlives armed uprisings and activism in the narco war examines nonviolent activism and armed uprisings in the narco war olof kjell oscar ohlson argues that relatives of mexico s many victims of violence often without earlier experiences of human rights advocacy become activists protesting violence or form self armed citizens police to resist state capitalist and criminal violence ohlson develops innovative theories on political afterlives and rituals of rebellion demonstrating how political street protests transform over time to become annual commemorative events at new memorial sites for the disappeared

the 4th small wars journal el centro anthology comes at a pivotal time roughly a third of the way through the term for the enrique pea nieto administration in mexico the mass kidnapping and execution of 43 rural student teachers in iguala guerrero in late september 2014 has only served to further highlight the corruptive effects of organized crime on the public institutions in that country in addition many other states in latin america are now suffering at the hands of criminal insurgents who are threatening their citizens and challenging their sovereign rights dave dilegge swj editor in chief
