a record of literary properties sold at auction in the united states

in 1776 when the continental congress declared independence formally severing relations with great britain it immediately began to fashion new objects and ceremonies of state with which to proclaim the sovereignty of the infant republic in this marvelous social and cultural history of the continental congress benjamin h irvin describes this struggle to create a national identity during the american revolution the book examines the material artifacts rituals and festivities by which congress

endeavored not only to assert its political legitimacy and to bolster the war effort but ultimately to exalt the united states and to win the allegiance of its inhabitants congress for example crafted an emblematic great seal celebrated anniversaries of u s independence and implemented august diplomatic protocols for the reception of foreign ministers yet as irvin demonstrates congress could not impose its creations upon a passive american public to the contrary the people out of doors broadly defined to include not only the working poor who rallied in the streets of philadelphia but all persons unrepresented in the continental congress including women loyalists and native americans vigorously contested congress s trappings of nationhood vividly narrating the progress of the revolution in philadelphia and the lived experiences of its inhabitants during the tumultuous war clothed in robes of sovereignty sharpens our understanding of the relationship between political elites and crowds of workaday protestors as it illuminates the ways in which ideologies of gender class and race shaped the civic identity of the revolutionary united states
