in the event of women outlines the stakes of what tani barlow calls the event of women focusing on the era of the late nineteenth century through the mid twentieth century s cultural revolution barlow shows that an event is a politically inspired action to install a newly discovered truth in this case the mammal origins of human social evolution highbrow and lowbrow social theory circulating in chinese urban print media placed humanity s origin story in relation to commercial capital s modern advertising industry and the conclusion that women s liberation involved selling buying and advertising industrial commodities the political struggle over how the truth of women in china would be performed and understood barlow shows means in part

that an event of women was likely global because its truth is vested in biology and physiology in so doing she reveals the ways in which historical universals are effected in places where truth claims are not usually sought this book reconsiders alain badiou's concept of the event particularly the question of whose political moment marks newly discovered truths

barlow documents the history of woman as a category in twentieth century chinese history tracing the question of gender through various phases in the literary career of ding ling a major modern chinese writer
