does god exist is a thoughtful and accessible exploration of one of humanity s most enduring and profound questions rooted in the islamic worldview and guided by reason philosophy science and human experience this book invites readers to examine belief in god with intellectual honesty and spiritual depth rather than relying on blind faith or dismissive skepticism the book carefully explores classical and contemporary arguments for and against god s existence ranging from cosmology fine

tuning morality and consciousness to suffering doubt atheism and materialism it engages respectfully with other religious traditions and non theistic perspectives while presenting the islamic concept of tawḥīd the oneness of god with clarity and coherence written for believers skeptics and sincere seekers alike does god exist does not aim to force conclusions but to encourage reflection it addresses modern questions raised by science confronts the problem of evil with honesty and explores how belief or disbelief shapes meaning morality and human purpose this book is both a philosophical inquiry and a personal journey one that challenges assumptions clears misconceptions and presents belief in god as a rational meaningful and deeply human response to existence itself

this book explores three worlds shared by the humans in their collective experiences it identifies and explores the world of commonsense the world of religion and the world of science as three essential dimensions of human experience the book helps understand that humans can gain comfort and pleasure in commonsense achieve meaning and purpose from religion and attain truth and rationality through science it actively applies theories to and develops theoretical explanations from different domains or situations of human existence this book is of interest to theorists researchers instructors and students across major academic disciplines in the humanities and social sciences

the only way for hr professionals to ensure sustainable top performance from their workforce is by taking a people focused approach to their employees to outperform their competitors businesses need happy engaged and committed employees performing to their full potential investing in new technologies or embracing people analytics won t achieve this but a people focused approach will it not only improves staff engagement productivity and wellbeing but also secures the benefits for the business with deloitte reporting in 2019 that organizations focusing on human experience are twice as likely to outperform their peers in revenue growth over a three year period human experience at work is a practical guide for hr professionals and those responsible for talent management which provides advice examples and guidance on how to embed people centred approach to staff development human experience at work covers what human experience is the benefits for the organization the benefits for employees how to make it part of a talent management and organizational development strategy and how to leverage it there is also coverage of how focusing on people and allowing them to be themselves at work creates a more diverse and inclusive work environment supported by case studies insights and examples from companies including gsk ford ikea fotile grenade huel and moneypenny
