deliverance from triangular powers a lot of people have prayed all kinds of prayers and gone through different forms of deliverance yet their case have remained hopeless the reason is that they have remained powerless before the most wicked powers in the universe demons are house boys compared to these powers when these powers are in charge of a case nothing will happen until you deal with triangular powers the book in your hand will teach you about the triangular powers which can work either for you or against you if you know how to deal with them this book exposes you to the highest form of deliverance welcome to total freedom

this is thomas reid s greatest work it covers far more philosophical ground than the earlier more popular inquiry the intellectual powers and its companion volume essays on the active powers of man constitute the fullest most original presentation of the philosophy of common sense in the process reid provides acutely critical discussions of an impressive array of thinkers but especially of david hume in reid s eyes hume had driven a deep tendency in modern philosophy to its ultimate conclusions by creating a phantom world of so called ideas that sprang from objects of observation the self was a conglomeration of perceived ideas and the will as the source of action was nothing but the balance of passionate impulses reid s common sense philosophy answers these problems by suggesting that sceptics such as hume unavoidably affirm what they purport to deny namely the existence of a stable external world of other minds the continuity of their own minds and of their own and other people s ability to ascribe and accept responsibility for actions we can understand all of this by proper empirical observation and philosophical analysis of the activity of the mind reid s major positive contribution to philosophy is a detailed account of the various innate powers of the mind while particularly influential in the first half of the nineteenth century reid s work has retained a significant role in philosophy not least in recent years at the same time his role in the scottish enlightenment is becoming much better understood this is the only properly established text it is accompanied by manuscript lectures on the nature and immortality of the soul as well as helpful editorial annotation and introduction making it useful to a wide variety of readers features accurate reliable and critically established text the introduction explains the work s genesis and its place in reid s system annotations provide an

life is god s first gift and on its use depend the enjoyment and employment of all other gifts how then shall the most be made of life the divine creator says i am the lord thy god which teacheth thee to profit for a profitless life that worst of all waste
