cultural history of bangladesh includes pictoral account

in 1934 commissioner of indian affairs john collier began a series of congresses with american indians to discuss his proposed federal bill for granting self government to tribal reservations in the indian reorganization act vine deloria jr compiled the actual historical records of those congresses and made available important documents of the premier years of reform in federal indian policy

as well as the bill itself

in colonial egypt the state introduced legal reforms that claimed to liberate egyptians from the inhumanity of pre colonial rule and elevate them to the status of human beings these legal reforms intersected with a new historical consciousness that distinguished freedom from force and the human from the pre human endowing modern law with the power to accomplish but never truly secure this transition samera esmeir offers a historical and theoretical account of the colonizing operations of modern law in egypt investigating the law both on the books and in practice she underscores the centrality of the human to egyptian legal and colonial history and argues that the production of juridical humanity was a constitutive force of colonial rule and subjugation this original contribution queries long held assumptions about the entanglement of law humanity violence and nature and thereby develops a new reading of the history of colonialism
