Machiavelli's New Modes and Orders The Contemporary Voyage Machiavelli's Ethics Public Libraries Denglisch for Better Knowers: Zweisprachiges E-Book Deutsch/ Englisch The Big Book of Knowledge The Big Book of Knowledge The Knowers *Harvey C. Mansfield (Jr.) William F. Lawhead Erica Benner Adam Fletcher John Farndon Robert Temple Frost*

in the only full length interpretive study of machiavelli s discourses on livy harvey c mansfield provides a chapter by chapter commentary of this controversial and ambiguous work mansfield argues that machiavelli s new modes and orders were intended to undermine the classical and christian foundations of political philosophy and establish a new foundation not only for modern political philosophy but for modern politics as well this penetrating study wrought by one of machiavelli s foremost interpreters uncovers the hidden intricacies of the discourses it will inform and challenge its readers at every step

highly praised by reviewers for its clarity and rich exposition this history of philosophy text illustrates philosophy as a process and not just a collection of opinions or conclusions lawhead helps students retrace the philosopher s intellectual journey rather than simply giving a report of the results so that the students see how the problems arose thus the philosopher s problem becomes a puzzle which the student has to face lawhead uses metaphors analogies vivid images concrete examples common experiences and diagrams to bring the abstract issues down to earth and show the practical implications and contemporary relevance of positions

erica benner challenges the received wisdom arguing that machiavelli s aim was to show his readers how to see through deceptive political appearances rhetoric that he both favoured the rule of law

supported a coherent theory of justice he did not defend the maxim that the ends justify the means
