the greatest motivational book of all time napoleon hill's thirteen step programme will set you on the path to wealth and success think and grow rich reveals the money making secrets of hundreds of america's most affluent people by thinking like them you can become like them inspired by andrew carnegie's magic formula for success this book will teach you the secrets that will bring you a fortune it will show you not only what to do but how to do it once you learn and apply the simple basic techniques revealed here you will have mastered the secret of true and lasting success and you may have whatever you want in life this book has sold millions of copies and has helped millions achieve success and stands as a monument to individual achievement and is the cornerstone of modern motivation it is the all time best seller in the field giving napoleon immense influence around the globe this is a reproduction of the original 1937 edition which is now in the public domain in the u s

think and grow rich by napoleon hill first published in 1937 is a book about those basic components of everyday life that if recognized and tamed could lead anyone to accomplish the desires of their heart if your faucet is leaking you go to a plumber if you need information on bread making you go to a baker when you are not feeling well then it makes sense that you go see a doctor in this same spirit of consulting with experts in a given field and under the bidding of andrew carnegie napoleon hill did just that over a twenty year period he interacted and studied the way of life of very successful people of his generation he called it the secret to achieve the success you desire today you have access to that secret it is an open secret that is true today as it was when think and grow rich was published almost 80 years ago a lot has changed in those seventy seven years since the secret was made an open secret the terrain is no longer the same the millionaires and billionaires described in the original book have moved on new industries new technologies and a new breed of millionaires and billionaires have sprung up but that secret formula that leads to success remains the same and is

available to you with more than 70 million copies sold since it was published there must be a message worth looking into in this book grab your copy today read it and read it again and then go forth and apply what you have learnt execution is the key

having sold somewhere over 37 million copies napoleon hill was constantly working to improve his bestseller until recently it still contained a flaw which kept many people from fully realizing the book s promise james breckenridge jones taught hill s work and developed the missing formula which could help anyone become a millionaire and built a national business in just four years that put tens of thousands on the road to personal prosperity and abundance in fact this book has been known as the textbook for millionaire makers and has been used to train the likes of jim rohn zig ziglar tony robbins and mary kay ash each of which became multi millionaires in their own right this collection was created with your own prosperity in mind if you learn study and apply these natural laws and principles there is no limit to achieving your dreams you can be anything you ve ever wanted to be you can have any thing you ve ever wanted to have get your copy today

the ultimate edition of the all time prosperity bestseller think and grow rich by napoleon hill has become the must have bible of prosperity and success for millions of readers since its initial publication in 1937 now from the number one publisher of napoleon hill s books comes the most complete and essential edition of think and grow rich yet for the first time in one volume this classic book will include these powerful tools the original 1937 text of hill s classic book an all new introduction pull out quotes for memorization and inspiration additional quotes on success from history s greatest lives success questions at the end of each chapter success action steps that tie in to each of hill s thirteen steps to riches articles on success prosperity and napoleon hill by such people as andrew carnegie and others a biography of napoleon hill a statement of desire contract with life that each reader can sign a success notes section for insights ideas and action items instructions on how to form a master mind group and or a master mind partnership special lay flat binding french flaps and more published in the easy to use large format the same trim as the think and grow rich workbook and the think and grow rich success journal this is the only edition that serious students of think and grow rich will want to use to understand the original text fully and put it into action in their lives

this book provides a synopsis of the original 1937 text of hill s masterpiece think and grow rich it extracts the key principles instructions and examples so that the modern professional regardless of how busy he or she is can benefit from the timeless wisdom found in hill s book to receive the greatest possible benefit from its wisdom read no more than one chapter per day allowing the space and time to fully digest its insights and to enable your imaginative faculties to act on the thought impulses generated thereby you will also undoubtedly find your progress magnified by working through this content in the setting of a book club or study group wherein the mastermind principle can be applied to reach higher level orders of thinking regardless of your approach when you commit yourself to practicing the steps outlined in this book you will surely open yourself up to great personal growth and momentum toward achieving your dreams anything the mind can conceive and believe it can achieve within this one line is distilled a success formula so simple that anyone can apply it and yet so demanding that only a minority of the population ever fully lives it out upon it was built a success philosophy that explains how human desires can be translated into material reality a framework that rests upon the power of thoughts to seek expression in physical form through this singular concept the world s wealthiest and most successful individuals rich in money relationships power peace of mind and social standing have built and maintained their prosperity it is the foundational principle of napoleon hill s science of success program an achievement philosophy that effectively helped end the great depression and that has since made more millionaires cultural icons and thought leaders than any other hill was born in 1883 in a one room cabin on the pound river in wise county virginia he began his writing career at age thirteen as a mountain reporter for small town newspapers in 1908 as a young special investigator for a nationally known business magazine he was sent to interview the great steel magnate andrew carnegie during that interview carnegie shared the secrets that had enabled him to acquire hundreds of millions of dollars a magic law of the human mind a little known psychological principle that was amazing in its power believing that this magic formula should be shared with those who did not have the time or resources to discover it on their own carnegie tasked hill with spending twenty years or more developing this principle into a philosophy of personal success this research would be conducted without pay carnegie merely provided hill with access to over five hundred of america s greatest business leaders in order

to test his success formula in 1937 after twenty nine years of research and writing hill published think and grow rich which contains the thirteen success principles that form the core of the science of success since its release it has sold over one hundred million copies worldwide no literary work in the personal development genre has had a greater creative impact than think and grow rich
