Descartes' Meditations on First Philosophy was published in 1641 designed for the philosopher and for the theologian it consists of six meditations of the things that we may doubt of the nature of the human mind of God that He exists of truth and error of the essence of material things of the

existence of material things and of the real distinction between the mind and the body of man

in the handmaid s tale and philosophy philosophers give their insights into the blockbuster best selling novel and record breaking tv series the handmaid s tale the story involves a future breakaway state in new england beset by environmental disaster and a plummeting birth rate in which the few remaining fertile women are conscripted to have sex and bear children to the most powerful men all justified and rationalized by religious fundamentalism among the questions raised by this riveting and harrowing story the handmaid s tale displays the connection between sex and power what light does this story shed on sex and power in our own society the divinity of the feminine is associated with the female capacity to give birth is this association inherently exploitative in the story the revolution rapidly rebranded people by changing their names and placing them into functional groups with specific titles how important is change in language to the suppression of individual freedom the handmaid s tale sees everything through the eyes of one character how is it possible to construct a self and an identity at odds with the definition which the culture attempts to impose in oppressive societies even the most oppressed do show some freedom of choice what is the limit of autonomy in a repressive society ruled by a fanatical ideology our present ethics of sex relies heavily on the notion of consent but in the world of the handmaid s tale there is little scope for consent how is the power of consent constricted by the broader social conditions the feminist idea of care ethics can be used to critique various gender relationships how does care ethics evaluate our own society and the society depicted in the handmaid s tale the society portrayed in the story is marked by fierce religiosity yet the christian god presumably disapproves of its brutal exploitation and oppression what is the relation between a loving deity and the literal interpretation of scriptural passages among many dystopian stories what makes the handmaid s tale particularly memorable and what purpose is served by the contemplation of imaginary dystopias suicide is common in the handmaid s tale and contemplating the possibility of suicide is even more common can life be worth living if the political and religious structure is thoroughly malign beneath the theocratic preaching there is the practical suggestion that everything is being arranged for the good of society and therefore of everyone who gets to decide and enforce what is in society s best interests

descartes s meditations on first philosophy the fundamental and originating work of the modern era in western philosophy is presented here in donald cress s completely revised edition of his

well established translation bringing this version even closer to descartes s original while maintaining its clear and accessible style

this work within the sage reference series on leadership provides undergraduate students with an authoritative reference resource on political and civic leadership this 2 volume set focuses on the 100 most important topics issues question and debates specific to politics and civic society entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry while avoiding much of the jargon detail and density one might find in a journal article or a research handbook chapter key features includes entries written by a global panel of renowned experts offers broad coverage of important of the moment topics related to political and civic leadership including explorations of the personalities and environments of political leaders leadership roles in governance and allegiance citizen activists and civic engagement political campaigning urban politics and leadership public management ethics in politics policy development and implementation executive management of public opinion political speechmaking and the bully pulpit congressional leadership crisis management and more considers the history of political and civic leadership with examples from the lives of pivotal figures as well as the institutional settings and processes that lead to both opportunities and constraints unique to the political realm provides students with more depth than usual encyclopedic entries while avoiding the jargon detail and density of more advanced works features an approachable and clear writing style with appeal to undergraduate researchers and offers a list of further readings after each entry as well as a detailed index and an online version of the work to maximize accessibility for today s students

the authors argue for the continued theoretical and practical relevance of the cosmopolitan ideals of kant s essay toward perpetual peace a philosophical sketch

in response to a renewed cosmopolitan enthusiasm this volume brings together 25 essays in the development of cosmopolitan thought by distinguished cosmopolitan thinkers and critics it looks at classical cosmopolitanism global justice culture and cosmopolitanism political cosmopolitanism and cosmopolitan global governance

exploring the pedagogical power of the monstrous this collection of new essays describes innovative teaching strategies that use our cultural fascination with monsters to enhance learning

in high school and college courses the contributors discuss the implications of inviting fearsome creatures into the classroom showing how they work to create compelling narratives and provide students a framework for analyzing history culture and everyday life essays explore ways of using the monstrous to teach literature film philosophy theater art history religion foreign language and other subjects some sample syllabi assignments and class materials are provided

heidegger s nietzsche european modernity and the philosophy of the future offers a study of two key figures in the history of philosophy by way of a textual interpretation of martin heidegger s reading of friedrich nietzsche it draws renewed attention to the question of ontology in the history of western thought the discussion unfolds in the context of an epochal period of transition in european culture that in heidegger s interpretation of nietzsche is in the process of fulfillment the book examines the sources of this transformative event with special emphasis on the contrast between the modern predominance of cartesian inter subjectivity and a manner of thought that dwells in the philosophical anthropology of classical greek culture it partakes in the platonic aristotelian tradition of studying the life of the mind from architectonic perspectives highlighting the key comparative importance of philosophical vision in tandem with the voice of conscience in that spirit the book explores an encounter between heidegger and nietzsche at the interstice between hermeneutics and a therapeutic consideration of philosophy

samar philosophy loyola u seeks to develop a metatheory of law that judges could use to decide very hard cases in which the law offers no firm precedents or it is not clear whether the applicable law is just he discusses theories of political philosophy that set a foundation for the duty to obey law presents a natural law justification for a legal system containing morally just laws uses his metatheory to resolve five historically significant constitutional cases and offers suggestions for legal education annotation copyrighted by book news inc portland or

this collection of recent articles by leading scholars is designed to illuminate one of the greatest and most influential philosophical books of all time it includes incisive commentary on every major theme and argument in the meditations and will be valuable not only to philosophers but to historians theologians literary scholars and interested general readers ideal for courses on the history of philosophy and those centered on descartes specifically this collection of recent articles by leading scholars is designed to illuminate for students one of the greatest and most influential

philosophical books of all time it includes incisive commentary on every major theme and argument in meditations

includes entries for maps and atlases

selected articles from the naval war college press on ethics and the twenty first century military professional provided by publisher

this book should be of interest to introductory philosophy philosophy of mind and metaphysics courses

in this fascinating introduction joseph runzo presents a uniquely global perspective on the philosophy of religion covering such key topics as the existence of god and the connection between religion and ethics he addresses the traditional questions as they appear in all the world faiths

the author presents a two tiered analysis that views postmodern legal thought as both a collective intellectual movement and as the work of particular theorists notably friedrich nietzsche michel foucault jacques derrida francois lyotard and richard rorty he concludes that even though postmodern thought does not give rise to a normative theory of right that can be used as a framework for deciding cases it can focus attention on genealogy and discourse and can empower those who have been denied a voice in the legal system annotation copyrighted by book news inc portland or

this edition features reliable accessible translations useful editorial materials and a straightforward presentation of the objections and replies including the objections from caterus arnauld and hobbes accompanied by descartes replies in their entirety the letter serving as a reply to gassendi in which several of descartes associates present gassendi s best arguments and descartes replies conveys the highlights and important issues of their notoriously extended exchange roger ariew s illuminating introduction discusses the meditations and the intellectual environment surrounding its reception

revelation and reason brings together a collection of colin gunton s lectures in a volume that highlights the creative thought of a widely read theologian and philosopher
