if there is any justice in the world of books esolen s will be the standard dante for some time to come robert royal crisis in this the concluding volume of the divine comedy dante ascends from the devastation of the inferno and the trials of purgatory led by his beloved beatrice he enters paradise to profess his faith hope and love before the heavenly court completed shortly before his death paradise is the volume that perhaps best expresses dante s spiritual philosophy about resurrection redemption and the nature of divinity it also affords modern day readers a clear window into late medieval perceptions about faith a bilingual text classic illustrations by gustave doré an appendix that reproduces dante s key sources and other features make this the definitive edition of dante s ultimate masterwork

this dual language edition of dante s classic poem chronicles the poet s descent through the nine circles of hell stunningly translated by and featuring an introduction and notes from renowned professor anthony esolen plus haunting illustrations by gustave doré professor esolen s translation of dante s inferno is the best one i have seen a kent hieatt translator of the canterbury tales the inferno the first and most famous part of dante s divine comedy describes in unforgettable detail dante s harrowing journey to the very bottom of the underworld guided by the poet virgil he travels through the nine concentric circles of hell each more cruel and sinister than the last at once universal and personal dante s inferno is an epic poem filled with politics and philosophy humor and horror this sublime translation brings dante s masterpiece to vivid life and includes a substantive introduction extensive notes and detailed appendices that reproduce dante s key sources and influences to provide the most comprehensive version of this classic poem

an introduction and notes accompany this classic epic poem about a spiritual pilgrim being led by virgil through the nine circles of hell

the serious study of humor has burgeoned in the last two decades spawning a wealth of publications touching upon an array of topics crossing national cultural and disciplinary lines this research bibliography captures the vibrancy and significance of the field of humor studies while documenting its output organized into ten broad chapters reflecting types of humor and topics of humor research it provides extensive bibliographies on forty five fields of humor study each introduced by an essay outlining trends and pointing to major findings an appendix of humor research institutes journals scholars and academic programs as well as a subject and author index to the thousands of sources complete the volume intended largely for library use by scholars and students in humor studies the volume s topical essays are valuable for text use in related courses the work s extensive bibliographies will foster research in diverse fields with a focus on humor

purgatory the mountain that straightens souls made crooked by the world is dante s single most conceptually brilliant creation a remarkable rendering that unearths dante s muscular and vernacular voice with unprecedented vigor accuracy and masterful use of english meter esolen s new translation of purgatory is part two of his translation of the entire divine comedy esolen s introduction is the most interesting of any edition he explores what purgatory is theologically how dante came to invent it and how purgatory is ultimately about restoration liberation and friendship the unique features esolen provides from extensive notes to an appendix of key sources make this bilingual edition the most illuminating on the market

dante alighieri s divine comedy has despite its enormous popularity and importance often stymied readers with its multitudinous characters references and themes but until the publication in 2007 of guy raffa s guide to the inferno students lacked a suitable resource to help them navigate dante s underworld with this new guide to the entire divine comedy raffa provides readers experts in the middle ages and renaissance dante neophytes and everyone in between with a map of the entire poem from the lowest circle of hell to the highest sphere of paradise based on raffa s original research and his many years of teaching the poem to undergraduates the completedanteworlds charts a simultaneously geographical and textual journey canto by canto region by region adhering closely to the path taken by dante himself through hell purgatory and paradise this invaluable reference also features study questions illustrations of the realms and regional summaries interpreting dante s poem and his sources raffa fashions detailed entries on each character encountered as well as on many significant historical religious and cultural allusions
