Teenage Allen Maruyama internalized the hostility directed at Japanese Americans subsequent to the Pearl Harbor attack. He says he learned to hate himself and felt subhuman. But Presbyterians in his home state of Colorado befriended him. He proved himself as a student athlete and US Army buck sergeant. He graduated from McCormick Theological Seminary, MA Christian Education and MDiv. His MThS is from Dubuque Seminary. Only when he earned a PhD in Theology from the Aquinas Institute of Philosophy and Theology did he feel emancipated, no longer suffering from shame while living and working as a Japanese American in white majority culture. Allen's Nisei second generation experiences and his Issho Kenmei personality, all in full throttle nonstop, propelled him into centers of change and controversy in fields as diverse as social justice, theology and cultural and church history. Dr. Allen Maruyama is the first Asian American to stand for the position of Moderator of the General Assembly of the Presbyterian Church USA.

A Time of Departing is a revealing account of a universal spirituality that has infiltrated much of the church today. The book exposes subtle strategies to compromise the gospel message with eastern mystical concepts cloaked under the wrappings of contemplative prayer and the silence.

The Journey Through Cancer is an essential guide for all cancer patients, their families and their loved ones. As a board-certified oncologist with more than ten years of experience serving as physician, guide, mentor, coach and friend to thousands of cancer patients and their families, Dr. Jeremy Geffen has learned how cancer often challenges the mind, heart and spirit of patients and their families as deeply, if not more deeply, than it challenges the physical body. Yet this simple truth is often overlooked by Western medicine as it aggressively pursues the best ways to diagnose and treat cancer. Too often, physicians focus almost exclusively on the physical dimensions of the disease rather than caring for the whole person who has the disease. Dr. Geffen presents a groundbreaking seven-level program used at his cancer center in Florida that addresses every dimension of the person with cancer: physical, mental, emotional and spiritual. Education and information giving patients answers to questions about their disease and their treatment options, psychosocial support focusing on the need for and benefits of a strong support network, the body as garden, exploring the vast array of alternative and complementary therapies.
