in the bible period by period josiah blake tidwell meticulously analyzes the biblical narrative through a chronological framework offering readers a comprehensive understanding of the scripture s development across different historical contexts tidwell s literary style is both scholarly and accessible blending theological insights with historical criticism making it suitable for both lay readers and those engaged in advanced biblical studies his approach illuminates the evolution of sacred texts and the diverse cultural influences that shaped their interpretation thus situating biblical events within their respective epochs and underscoring their relevance for contemporary faith practices josiah blake tidwell a prominent figure in the early 20th century american religious landscape was a noted theologian preacher and educator

born in a time of profound theological discourse he dedicated his life to the study of the bible urging believers to engage deeply with its texts his extensive background in both history and theology informed his perspectives on scripture leading him to write this illuminating work which seeks to unify disparate biblical accounts through a coherent chronological structure i highly recommend the bible period by period for anyone seeking a deeper understanding of the biblical text in its historical context it serves as an invaluable resource for scholars students and clergy alike facilitating a richer appreciation of the intricate tapestry of narratives that comprise the bible

a revision and expansion of the first chapter in louis finkelstein s the jews their history culture and religion includes bibliographical references

the collection of essays in this book represents more than twenty years of research on the history and archeology of judah as well as the study of the biblical literature written in and about the period that might be called the age of empires this 600 year long period when judah was a vassal assyrian egyptian and babylonian kingdom and then a province under the consecutive rule of the babylonian persian ptolemaic and seleucid empires was the longest and the most influential in judean history and historiography the administration that was shaped and developed during this period the rural economy the settlement pattern and the place of jerusalem as a small temple surrounded by a small settlement of mainly priests levites and other temple servants characterize judah during most of its history this is the formative period when most of the hebrew bible was written and edited when the main features of judaism were shaped and when judean cult and theology were created and developed the 36 papers contained in this book present a broad picture of the hebrew bible against the background of the biblical history and the archeology of judah throughout the six centuries of the age of empires

in this short accessible and readable book professor soggin gives an account of all the features of israelite and jewish religion in the biblical period after a radical assessment of the nature of the sources and the problems of using them historically he discusses the origin of monotheism and israel s belief in its one god yahweh then follow accounts of the three most important features in israelite religion the jerusalem temple and its worship the covenant and sacrifices the main festivals are discussed and there are chapters on the sabbath and the new moon the sabbatical year and the year of jubilee and the calendar the book ends with an account of changes brought about after the exile and the development of middle judaism and the collapse of the old israelite system of worship after the destruction of jerusalem in 70 ce though firmly based on biblical and near eastern texts and artefacts the book wears its learning lightly there are no footnotes but a bibliography of books for further reading its clarity and straightforward approach make it an ideal introduction to the subject for students

the book is concerned with the concept of time in the bible and in later literature primarily that of the judaeen desert sect by the term concept of time the author refers to the entire complex of issues relating to time as follows from our involvement in the writings of the corpus the work discusses issues of terminology substance and ideology that arise from the totality of texts dealing with the subject of time

the conjoining of the eight groups of chapters of the book provides a comprehensive picture of the approach to time in ancient hebrew literature beginning with the bible and concluding with the first century ce the latest possible time frame for the scrolls

this profusely illustrated book is doubly valuable it introduces the reader to both the content of the bible and to the life faith and history of ancient israel early judasim and early christianity

this invaluable reference defines concepts religious practices theological terms persons places and essential vocabulary from the writings of judaism ranging from the time of the pentateuch s final formation until the close of the babylonian talmud over 3 300 entries by seventy international scholars offer historical literary religious and archaeological background for understanding the canonical form of the bible the texts of the second temple period and the classical writings of rabbinic judaism the scope of this volume includes among other things information on philo and josephus the dead sea scrolls the mishnah and the talmud as well as key figures in the history of both judaism and early christianity the dictionary of judaism in the biblical period offers a reliable guide to the wealth of material useful for reading the holy scriptures it has few rivals when it comes to accuracy and readability and will be an indispensable resource for anyone studying religion

while the history of israel during the period from ca 1200 to 586 b c e has been in the forefront of biblical research little attention has been given to questions of daily life where did the israelites live what did people do for a living what did they eat and what affected their health how did the family function these and similar questions form the basis for this book the book introduces different aspects of daily life it describes the natural setting and the people who occupied the land it deals with the economy both rural and urban emphasizing the main sources of livelihood such as agriculture herding and trade these topics are discussed in relation to the family in particular and the social structure in general other topics include urban society the bureaucracy and the military beyond material culture the book delves into daily and seasonal cultural social and religious activities art music and the place of writing in israelite society drawing on textual and archaeological evidence and written with nontechnical language the book will be especially helpful for undergraduates seminarians pastors rabbis and other interested nonspecialist readers as well as graduate students and faculty in hebrew bible

books for new testament study by clyde weber votaw v 26 p 271 320 v 37 p 289 352

era s of humanity explained by genealogy era of christianity of the early church era of a few generations before adam and eve era of abraham to david era of david to babylon era of babylon to christianity era of adam to noah era of noah to abraham

the appearance of in search of ancient israel generated a still raging controversy about the historical reality of what biblical scholars call ancient israel but its argument not only takes in the problematic relationship between iron age palestinian archaeology and the biblical israel

but also outlines the processes that created the literature of the hebrew bible the ideological matrix the scribal milieu and the cultural adoption of a national literary archive as religious scripture as part of the process of creating judaisms as such in this volume philip r davies challenges the whole spectrum of scholarly consensus about the origins of israel and its scriptures in a manner that is both learned and accessible for this new edition davies has provided a new extended introduction in which he considers how the debate has raged since the book was first published and in which he repositions this classic work within the present scholarly context
