whoever starts on a journey should be prepared for surprises the old testament offers a wealth of wonderful stories the stories talk about people who are on a quest for god with all their heart and soul about skeptics unhappy people and enthusiasts about people just like you and me about life as it is with all its worries anxieties and unfairness but also about god who makes his face shine upon us who does not abandon us we should not deprive our children of this hope if we read these stories with them we can awaken their longing for god we may perhaps also arouse their curiosity and touch their heart and move their mind with pictures from two thousand years of art thus igniting a life long journey in search of god with easy to understand picture explanations for children and textual commentaries for adults a read aloud book for children ages 5 and up a book to be read on one s own for children ages 8 and up and a book to lose yourself in for adults of all ages

this volume offers an introduction to all questions of teaching religious education as a school subject and as an academic discipline related to this subject the chapters cover most of the aspects that religion teachers have to face in their work as well as the theoretical background necessary for this task the volume is a textbook for students and teachers of religious education be it in school or in an academic context who are looking for reliable information on this field the book has proven its usefulness in german speaking countries this volume is the english translation of the german compendium of religious education edited by gottfried adam and rainer lachmann the present english version is based on the 2012 edition which aims for a most current representation of the field the background of the book is protestant but its outlook is clearly ecumenical and questions of interreligious education are considered in many of the chapters the compendium continues to be widely used in germany austria and switzerland as an introduction to the field and as a handbook for students who are preparing for their final exams the english edition makes this compendium available to students and colleagues in other countries

there are times when crises shake our lives and get to the heart of things fate sometimes has harsh realities in store for us and to top it off then came the covid pandemic through biblical texts and contexts oliver meidl unravels answers to questions of survival in an accelerated world that keeps

pushing on and often leaves religion behind from the content sticking together while maintaining distance christians don t have to be wimps mooses heading for a burnout jesus had a good sense of humor lessons learned in crisis management an entertaining thought goulash from vienna inzersdorf with encouraging messages and sermon morsels about the strengthening power of faith in times of crisis
