in recent years the problem of translation has received renewed attention but it has been mostly approached from a linguistic or ontological perspective this book focuses on another aspect i e the political and ethical implications of translation engaged in a debate which encompasses various philosophers such as schleiermacher benjamin ortega y gasset quine gadamer derrida and ricur the book s contributions show that translation can be considered in an ambivalent way which has a great ethical and political significance as an attempt to bring the other back to one s own world or vice versa as an attempt to open up one s own world and to experience different cultures translation is in fact inevitably an experience of alterity series philosophy language literature philosophie sprache literatur vol 4

irda edizioninella vita ci siamo innamorati di una donna è stato la prima volta

adolescenti e capitato che più forte è stato l'amore più lo si è tenuto nascosto e non confessarlo facendo sì che il cuore ne soffrì nel dolce segno della realtà pur mostrandolo con gesti o con parole e tenendolo segretamente io mi sono sempre innamorato del verde della campagna del mare azzurro dell'aria che respiravo una volta erano cose buone oggi è tutto inquinato dei raggi solari che scaldavano la mia pelle e della bellezza della donna dono che dio mi ha dato come anche a voi questo meraviglioso dono amare con amore antonio marullo

since the early nineties the reception of vilém flusser was mainly focused on his media theory if on the one hand this focus allowed to launch the first development in the study of flusser's ideas on the other hand it ended to conceal other relevant topics and aspects of his thought even if his work appears fragmented into several areas there is a source that produces this variety of topics and methodologies a deep connection between exile creativity and thought flusser's philosophy is thinking in exile between nations and national identities across different languages between and outside defined disciplines and scientific fields the entire flusser's oeuvre becomes an expression of a collapsed ground also revealing an unexpected sense of freedom both existential and philosophical his path of thinking exhibits radical unfaithfulness towards homeness and reassuring boundaries both spatial and epistemological both literal and metaphorical the purpose of this issue of azimuth is to map this intersection in flusser's thought by taking into account the complexity of his multifaceted thinking and the overlapping of different fields
