The instant New York Times bestseller *One Christmas Wish* by Christina Lauren, the New York Times bestselling authors of *The Unhoneymooners* and *Love and Other Words*, it's the most wonderful time of the year, but not for Maelyn Jones. She's living with her parents, hates her going nowhere job, and has just made a romantic error of epic proportions. But perhaps worst of all, this is the last Christmas Mae will be at her favorite place in the world: the snowy Utah cabin where she and her family have spent every holiday since she was born. Along with two other beloved families, mentally melting down as she drives away from the cabin for the final time, Mae throws out what she thinks is a simple plea to the universe: please show me what will make me happy. The next thing she knows, tires screech and metal collides; everything goes black. But when Mae gasps awake, she's on an airplane bound for Utah where she begins the same holiday all over again. With one hilarious disaster after another sending her back to the plane, Mae must figure out how to break free of the strange time loop and finally get her true love under the mistletoe, jam-packed with yuletide cheer, an unforgettable cast of characters, and Christina Lauren's trademark downright hilarious Helen Hoang. Author of the *Bride Test Hijinks*, this swoon-worthy romantic read will make you believe in the power of wishes and the magic of the holidays.

From the authors of *The Unhoneymooners* and *Love and Other Words*, the third book in the sexy fun New York Times bestselling *Wild Seasons* series that began with *Sweet Filthy Boy*, Lola and Oliver like to congratulate themselves on having the good sense not to consummate their drunken Las Vegas marriage if they'd doubled down on that mistake. Their just-friends situation might not be half as great as it is now, or so goes the official line. In reality, Lola's wanted Oliver since day one, and over time has only fallen harder for his sexy Aussie accent and easygoing ability to take her as she comes, more at home in her studio than in baring herself to people. Lola's instinctive comfort around Oliver nearly seems too good to be true, so why ruin a good thing? Even as geek girls fawn over him, Oliver can't get his mind off what he didn't do with Lola when he had the chance. He knows what he wants with her now, and it's far outside the friend zone. When Lola's graphic novel

starts getting national acclaim and is then fast tracked for a major motion picture oliver steps up to be there for her whenever she needs him after all she s not the kind of girl who likes all that attention but maybe she s the kind who ll eventually like him sometimes seeing what s right in front of us takes a great leap of faith and sometimes a dark wild night in vegas isn t just the end of a day but the beginning of a bright new life
