half a century ago the primary contours of the history of the jews in roman times were not subject to much debate this standard account collapsed however when a handful of insights undermined the traditional historical method the method long enlisted by historians for eliciting facts from sources in response to these insights a new historical method gradually emerged rewriting ancient jewish history critiques the traditional historical method and makes a case for the new one illustrating how to write anew ancient jewish history at the heart of the traditional historical method lie three fundamental presumptions the traditional historical method regularly presumes that multiple versions of a text or tradition are equally authentic it presumes that many ancient jewish sources are the products of largely immanent forces of cloistered jewish communities and barring any local grounds for suspicion it presumes that most ancient jewish texts faithfully reflect their sources and reliably recount events rewriting ancient jewish history unfurls the failings of this approach it promotes the new historical method which circumvents the flawed traditional presumptions while plotting anew the limits of rational argumentation in historical inquiry this crucial reappraisal is a must read for students of jewish and roman history alike and a fascinating case study in how historians should approach their ancient sources

the past as liberation from history explores the difference between the social construction we call history and the lived experience we call the past arguing that by failing to distinguish between the two we risk unquestionably accepting as authoritative accounts of the past in which we have no voice it shows that identities rooted in the richness and variety of the past even when the history is painful serve the purpose of drawing us closer to one another as we seek to realize our shared dreams of life liberty and the pursuit of happiness by placing in counterpoint broader educational concerns with the teaching experiences of the author the study also explores this individual s testimony as a teacher seeking to make relevant for his students the examination of the past
