this interdisciplinary collection of essays examines how women vigilantes social bandits  
outlaws and anti heroines were represented in american novels movie serials radio  
dramas films comics and pulp fiction from the post civil war era through world war ii  
demonstrating a broad spectrum of methodological and critical approaches the book  
includes essays from seasoned as well as emerging scholars the collected essays fill a  
gap in present popular culture studies and intersect with outlaw studies gender studies  
feminism historical studies and media archaeology along with citizenship and national  
identity the volume also considers how representations of women relate to matters of  
class sexuality and ethnicity by analyzing female outlaws both real and imagined this  
study highlights the ways that these women have become symbols of justice and social  
transformation in american cultural memory this book is an ideal resource for  
researchers and academics in popular culture studies media studies outlaw studies  
comparative literature and feminist studies as well as historians who focus on media in  
the late nineteenth and early twentieth centuries

for several generations comics were regarded as a boys club created by for and about  
men and boys in the twenty first century however comics have seen a rise of female  
creators characters and readers while this sudden presence of women and girls in  
comics is being regarded as new and noteworthy the observation is not true for the  
genre s entire history throughout the first half of the twentieth century the medium was  
enjoyed equally by both sexes and girls were the protagonists of some of the earliest  
most successful and most influential comics in funny girls guffaws guts and gender in  
classic american comics michelle ann abate examines the important but long  
overlooked cadre of young female protagonists in us comics during the first half of the

twentieth century she treats characters ranging from little orphan annie and nancy to little lulu little audrey of the harvey girls and li l tomboy a group that collectively forms a tradition of funny girls in american comics abate demonstrates the massive popularity these funny girls enjoyed revealing their unexplored narrative richness aesthetic complexity and critical possibility much of the humor in these comics arose from questioning gender roles challenging social manners and defying the status quo further they embodied powerful points of collection about both the construction and intersection of race class gender and age as well as popular perceptions about children representations of girlhood and changing attitudes regarding youth finally but just as importantly these strips shed light on another major phenomenon within comics branding licensing and merchandising collectively these comics did far more than provide amusement they were serious agents for cultural commentary and sociopolitical change

written in straightforward jargon free language a concise dictionary of comics guides students researchers readers and educators of all ages and at all levels of comics expertise it provides them with a dictionary that doubles as a compendium of comics scholarship a concise dictionary of comics provides clear and informative definitions for each term it includes twenty five witty illustrations and pairs most defined terms with references to books articles book chapters and other relevant critical sources all references are dated and listed in an extensive up to date bibliography of comics scholarship each term is also categorized according to type in an index of thematic groupings this organization serves as a pedagogical aid for teachers and students learning about a specific facet of comics studies and as a research tool for scholars who are unfamiliar with a particular term but know what category it falls into these features make a concise dictionary of comics especially useful for critics students teachers and researchers and a vital reference to anyone else who wants to learn more about comics

ever since the first appearances of superman and batman in comic books of the late 1930s superheroes have been a staple of the popular culture landscape though initially created for younger audiences superhero characters have evolved over the years becoming complex figures that appeal to more sophisticated readers while superhero stories have grown ever more popular within broader society however comics and graphic novels have been largely ignored by the world of academia in enter the superheroes american values culture and the canon of superhero literature alex s romagnoli and gian s pagnucci argue that superheroes merit serious study both within the academy and beyond by examining the kinds of graphic novels that are embraced by the academy this book explains how superhero stories are just as significant structured around key themes within superhero literature the book delves into the features that make superhero stories a unique genre the book also draws upon examples in comics and other media to illustrate the sociohistorical importance of superheroes from the interplay of fans and creators to unique narrative elements that are brought to their richest fulfillment within the world of superheroes a list of noteworthy superhero texts that readers can look to for future study is also provided in addition to exploring the important roles that superheroes play in children s learning the book also offers an excellent starting point for discussions of how literature is evolving and why it is necessary to expand the traditional realms of literary study enter the superheroes will be of particular interest to english and composition teachers but also to scholars of popular culture and fans of superhero and comic book literature

first appearing in marvel comics in the 1960s natasha romanoff a k a black widow was introduced to movie audiences in iron man 2 2010 her character has grown in popularity

with subsequent marvel films and fans have been vocal about wanting to see black widow in a titular role romanoff has potent appeal a strong female character who is not defined by her looks or her romantic relationships with the skill set of a veteran spy first for the kgb then for s h i e l d this collection of new essays is the first to examine black widow and her development from cold war era comics to the marvel cinematic universe
