a provocative look at how the bible should define the identity of a woman and her choices about femininity

what do you believe about women's roles in church leadership should women lead groups that include men

should women preach should women be ordained more importantly why do you believe what you believe plenty of books exist telling women what to think precious few help women think for themselves particularly about theological issues women leadership and the bible helps women learn to interpret the bible and discern for themselves answers to their questions about women's roles in the church along with any other issue they may face in life in straightforward plain language dr natalie eastman introduces women to a five step easy to follow process for studying the bible and interpreting what they study note to designer if there is not enough space on the back cover then cut the following section in italics this book encourages women that they can think for themselves and can analyze significant theological issues despite any hesitations they may have any conflict surrounding an issue or any lack of theological training by the time readers finish this book they will have a biblically defensible theologically reasoned and thoroughly discerned understanding of what they believe scripture says about women's roles and how that understanding could play out within the church no longer will they feel as though they have nothing to contribute when the subject of women's roles or any other of life's theological questions arises

an old african american churchgoers saying rings true for most religious denominations in the united states women are the backbone of the church for centuries women have been the majority of members in almost all religious groups they provide essential financial and social support and work tirelessly in the background of all church based activities yet it is largely men who occupy the high rungs of church hierarchy and they are the ones who get most of the credit ann braude examines the important role of women in american religious history focusing on their recent admission to public religious leadership and their fight for equal rights and recognition through the centuries both noted and little known women such as margaret winthrop jarena lee mary baker eddy henrietta szold aimee semple mcpherson and mary daly spring to life in the pages of this thorough passionate book

is the history of religion always the history of the beliefs and practice of men not if one looks carefully notes fisher comparative religion gobind sadan institute who includes biographies of women

and direct quotations to show how powerful the female has been and continues to be in a wide range of faiths whether by universal belief or by t

el primer volumen el siglo xix una historia documentada nos cuenta la historia de mujeres que han participado en instituciones religiosas protestantes cristianas judaicas durante este siglo en estados unidos el segundo volumen el periodo colonial y revolucionario una historia documentada tambien trata de la historia de mujeres relacionadas con la religion durante esa epoca en america todo ello avalado con textos

now updated for 2008 this annual edition of the classic bestselling directory provides everything working writers need to find the most receptive publishers editors and agents for their work

this concise and intelligent introduction draws from a wide variety of cultures and faiths to consider all the major themes of the psychology of religion from the effect of religious beliefs on emotional well being to the psychological effects of prayer

publisher description

surveys the various religions of different groups of native americans

this reader contains eleven essays that examine the inter play between gender and religion originally presented at the 1995 annual meeting of the society for the scientific study of religion
