the author relates her lifelong experiences of direct contact with ets and angels beginning with her first encounter at 4 years of age and chronicling her work following their guidance and their ways of healing

this book presents accounts of sightings and visits of godlike creatures as well as scientific explanations for the visions

incarnated angelic beings and starseeds are born with an inherent spiritual awareness that sooner or later leads them to question the nature of reality often these individuals feel they don't belong here since childhood they have challenged many of the teachings they receive it is as though they are immune to the mundane and are aware of another reality their journey is the mystical and metaphorical journey of the hero the journey to leave home delve into the depths and return home once again but this time with wisdom if you identify with some of the ideas in this book it is very possible that you too are an incarnated angel or a starseed

whether you call them gods angels ets or aliens sufficient proof now exists that beings more advanced than humans have influenced our history evidence suggests that these outsiders shaped our religions genes technology and cultures in fact they may have provided the impetus for modern civilization paul von ward investigates why modern science and religion refuse to address the possibility that humans interact with advanced beings abs he reviews sacred texts myths and legends from the old testament hebrew texts and the vedas to the greek myths sumerian tablets and other historical sources to make the link between religions their gods and alien intervention he shows how this history of ab intervention has been suppressed and challenges readers to reexamine the origins of notions like divine revelation to find common ground among the world's cultures and religions previously published as god genes and consciousness

who are the angels are there good and evil angels how can you tell them apart how does one find freedom amidst the clash of two kingdoms do angels play a

bigger role in human affairs on earth than we may realize angels wage war against other angels so how do we tell them apart is there such a thing as human angels born on earth are angels extraterrestrials or aliens book three of who s who in the cosmic zoo proves the reality of angels demonstrates how to discern between the fallen angels and the faithful angels of heaven learn who they are based on scripture and ancient texts what are their protocols rules of engagement examine their hierarchy and discover the pivotal role they play at the end of this age this understanding will create a paradigm shift in your present thinking and give you hope scripture says the harvest is the end of the age and the harvesters are angels what or whom are they harvesting this primordial drama between good and evil can be traced back to an angelic war in the heavens involving those angels sent to earth as fallen because of their nature and deeds these galactic wars are the real star wars these secrets are now being revealed to humanity as part of the preparation for the end of days keeping with the recurring theme in this five book series is the important issue of discernment that not all aliens are extraterrestrials not all extraterrestrials are aliens in book three you will learn how to discern between good and evil angels though their differences in ancient scriptures history linguistics and archeology the truth is stranger than fiction

for the first time angels and extraterrestrials come together to provide the larger picture of who we are why we are here and where we are headed explore levels of consciousness earth s preeminent position in the universe and the vast creation of the non form this book will change how you see yourself it will give meaning to your life

extraterrestrial contact is happening now we may not remember it clearly we may think it is only a dream we may ignore the signs of contact because we do not understand them and most of all we may simply be too frightened to fully acknowledge its presence the contact experience is intricately tied to the nature of human consciousness when we as a species evolve so will the nature of our contact experiences part 1 was first published in 1994 this new edition includes part 2 and is a groundbreaking book with all new information that explores lyssa s contact research around the world from 1994 to present day it is a combination of narrative channeled material from renown channel lyssa royal and personal accounts from teams of contact pioneers those who research et contact in real time and reach out to initiate contact through their work with specially trained contact teams an inside look at the et contact experience is given including what the human consciousness experiences during contact and how our perceptions of reality change as we meet with beings from other worlds the authors present a breathtaking look at the contact phenomenon and its connection to the evolution of the human species

Tips for Maximizing Your Ebook Experience

To make the most out of your ebook reading experience, consider these tips.

Choosing the Right Device

Whether it's a tablet, an e-reader, or a smartphone, choose a device that offers a comfortable reading experience for you.

Organizing Your Ebook Library

Use tools and apps to organize your ebook collection, making it easy to find and access your favorite titles.

Syncing Across Devices

Many ebook platforms allow you to sync your library across multiple devices, so you can pick up right where you left off, no matter which device you're using.

Challenges and Limitations

Despite the benefits, free ebook sites come with challenges and limitations.

Quality and Availability of Titles

Not all books are available for free, and sometimes the quality of the digital copy can be poor.

Digital Rights Management (DRM)

DRM can restrict how you use the ebooks you download, limiting sharing and transferring between devices.

Internet Dependency

Accessing and downloading ebooks requires an internet connection, which can be a limitation in areas with poor connectivity.

Future of Free Ebook Sites

The future looks promising for free ebook sites as technology continues to advance.

Technological Advances

Improvements in technology will likely make accessing and reading ebooks even more seamless and enjoyable.

Expanding Access

Efforts to expand internet access globally will help more people benefit from free ebook sites.

Role in Education

As educational resources become more digitized, free ebook sites will play an increasingly vital role in learning.
