a composer's insight, thoughts, analysis and commentary on contemporary masterpieces for wind band. Volume 2, with a foreword by Norman Delo Joio, is the second in a five-volume series on major contemporary composers and their works for wind band. Included in this volume are rare behind-the-scenes perspectives acquired from personal interviews with each composer, an excellent resource for conductor, composer, or enthusiast interested in acquiring a richer musical understanding of the composer's training, compositional approach, musical influences, and interpretative ideas.

Did you know that Iraqi Christians celebrate Christmas Eve with a bonfire of thorns, that farmers in the Netherlands practice midwinter horn blowing throughout the Advent season, that people in Caracas, Venezuela roller skate to midnight mass on Christmas Eve? Find these fascinating facts and hundreds more in this new edition of William Crump's acclaimed Christmas Encyclopedia. From Charles Dickens to Robert Frost, from Mele Kalikimaka to Messiah, and from Charlie Brown to The Waltons, all our favorite Christmas traditions, modern and vintage, are covered here. Crump's second edition of this comprehensive reference work adds 120 new entries, bringing the total number of Christmas-related topics to more than 480. Subjects include individual carols and songs, Christmas episodes of television series, literary figures, and popular Christmas symbols, as well as the origins of some of our most celebrated Christmas traditions. Unique to this work is its emphasis on Christmas as depicted in the popular media, with entries covering literary works, motion pictures, and television specials expressing holiday themes.

Central to the evolution of American music is the legacy of Charles Ives. This grand-scale reference work provides details surrounding the multifarious responses to the achievement of this singular businessman-musician for more than a century: performances, recordings, journalistic reports, reviews, and scholarly studies of all kinds, as well as assorted Ivesiana in the form of literature, art, film, dance, and other expressions of homage. Many of the entries are amplified with contextual information or carefully selected excerpts. Professor Burk has been an enthusiastic connoisseur of Ives's music and a thoughtful student of the Ives literature for many years. His systematic presentation results in much more than a glorified work list or another ambitious bibliography.
