christians in the first century lived in a world ruled by rome the vast size of the roman empire meant that it incorporated many different people groups who followed many different religions christians were thus often confronted with practices mandated by the local authorities where they lived that went against their faith in jesus but even more problematic they were also often confronted with worldviews and systems of belief that went against their faith this was especially true of the believers who lived in the capital city of rome so it was that when paul decided visit the city he first sent them a letter outlining the key principles and doctrines of the christian faith paul explained humans are really like sinful what god has done to provide an escape from the consequences of humanity s sin and what a lifestyle that goes out of a christian worldview looks like today we know to know the same we need to have a deep understanding of what we believe so we know how to respond when faced with other beliefs that go against christ each study in the niv application commentary resources series employs a three step process to help you understand both the historical meaning of a biblical text and its relevance in modern times the original meaning section reveals the questions and concerns the author was addressing the past to present section then explains what significance the original audience would have found in the passage and what significance you can find in it today finally the questions that accompany each section will help you specifically apply the author s words and teachings and find meaning in them for what you are facing in your life lessons the gospel of righteousness by faith romans 1 32 3 21 26 addicted to sin romans 2 1 3 20 the righteousness of god romans 3 21 4 25 peace and hope romans 5 1 21 freedom from sin romans 6 1 23 freedom from the law romans 7 1 25 life in the spirit romans 8 1 39 the problem of israel romans 9 1 10 21 israel s future romans 11 1 36 the transformed life romans 12 1 21 love and law romans 13 1 14 life together romans 14 1 16 27

the purpose of this book is to provide a biblical theological answer to isaiah s question why o lord do you cause us to stray from your ways and harden our heart from fearing you

with typical wit and jargon free clarity stephen d moore guides us through the maze of concepts and projects that constitute the multidisciplinary phenomenon of post structuralism moore centers on two lengthy exegetical examples a derridean reading of john and his interpreters and a foucauldian reading of paul and his the book also deals with deconstruction s relationship to theology and its relationship to biblical scholarship old and new historical critical narrative critical and feminist all who want to know what the fuss is about will owe moore a debt of gratitude for this book

deeply conversant in the full range of questions and interpretations of the letter jewett s commentary explores the crucial and controverted passages that have always animated studies of romans jewett also incorporates the exciting new insights from archaeology of the city of rome social history of early christianity social scientific work on early christianity and the interpretation and reception of paul s letter through the ages breaking free from abstract approaches that defend traditional theologies jewett shows that the entire letter aims to elicit support for paul s forthcoming mission to the barbarians in spain his work specifically focuses on paul s missionary plans and how they figure in the letter on paul s critical and constructive tack with the roman community and finally and especially on how paul s letter reframes the entire system of honor and shame as it informed life in the roman empire at the time the latter remains a pertinent message today the first commentary to interpret romans within the imperial context as well as in the light of the situation in spain this landmark commentary twenty five years in the making will set the standard for interpretation of romans for the next generation

a compelling and challenging book this is a valuable resource for pastors teachers leaders and anyone who is concerned about the effectiveness of the church in this generation

in this collection of articles legal scholars consider how nietzsche s philosophical and rhetorical interventions illuminate the failures of contemporary legal theory

in his epistles paul at various points uses maternal imagery to talk about his apostolic labors sometimes actually referring to himself as a mother for example paul writes that he must behave like a nurse caring for her own children later he writes he is in labor again and must continue to nurse his fellow christians with milk these images though known among earlier generations of christians today remain largely both unacknowledged and unexplored in thinking about paul and his work in our mother saint paul beverly gaventa retrieves these images explores their significance for understanding apostolic ministry and demonstrates how they point beyond their original contexts and offer unique perspectives for understanding paul s thought as well as the larger cosmic understanding of the gospel

leading pauline scholars focus on the theology of paul as reflected in the apostle s most reflective letter romans the theology of romans is examined as a separate communication without trying to explain or interpret that theology by reference to paul s other letters the result is a fresh approach to paul s thought

a series of bible study guides following the format and content of the niv application commentaries series each study looks at the original meaning bridging contexts and contemporary significance of the text and offers small group participants a better understanding and relevant application of the biblical material to their daily lives

gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality his strong and clearly articulated argument establishes that the bible contains a unanimous witness defining same sex intercourse as sin he does so while rigorously engaging biblical scholars and historians who have written both for and against this understanding of same sex intercourse in addition he demonstrates systematically why attempts to classify as irrelevant for our contemporary context the bible s rejection of same sex intercourse fail to do justice to the biblical texts his conclusions are clear and compassionate as he cautions readers on all sides of the debate against a truncated gospel and challenges all to strive for a holistic view of the command to love god and neighbor
