this book investigates the ways in which peripheral news actors in digital media are transforming journalism in zimbabwe journalism s boundaries have become blurred porous and fuzzy as non traditional news actors such as bloggers social media influencers citizen journalists start ups satirists comedians and fact checkers gain increasing influence in digital spaces as legacy news media attempt to ring fence the field journalism becomes both boundaried and boundless this book examines how peripheral journalistic practices are impacting zimbabwe a semi authoritarian regime facing significant economic pressures taking into account zimbabwe s specific sociocultural political and economic context this book explores how political issues are mediated by periphery actors how they deal with challenges to their legitimacy and professionalism how sustainable their positions are and finally what the implications of shifting journalistic boundaries are for education and training institutions as the impact of digital technologies continues to rise this timely book will be an important read for researchers working on journalism media and communication and african studies

social media technology is having a dramatic impact on social and political dynamics around the world the contributors to this book document and illustrate this techtonic shift on violent conflict and democratic processes they present vivid examples and case studies from countries in africa south and southeast asia latin america as well as northern ireland each author maps an array of peacebuilding solutions to social media threats including coordinated action by civil society governments and tech companies to protect human minds relationships and institutions solutions presented include inoculating society with a new digital literacy agenda designing technology for positive social impacts and regulating technology to prohibit the worst behaviours a must read both for political scientists and policymakers trying to understand the impact of social media and media

studies scholars looking for a global perspective

the africa yearbook covers major domestic political developments the foreign policy and socio economic trends in sub sahara africa all related to developments in one calendar year the yearbook contains articles on all sub saharan states each of the four sub regions west central eastern southern africa focusing on major cross border developments and sub regional organizations as well as one article on continental developments and one on african european relations while the articles have thorough academic quality the yearbook is mainly oriented to the requirements of a large range of target groups students politicians diplomats administrators journalists teachers practitioners in the field of development aid as well as business people

memory and erasure is part of a growing body of academic literature to properly document and narrate the gukurahundi genocide which hopefully may contribute to survivors and victims families quest for justice and closure deployed in january 1983 the fifth brigades legacy has continued to cast a dark shadow not just over matabeleland and midlands but over the entire country as the title of the book and also the chapters forcefully underline a culture of violence led by the state and those who control its levers pervades the whole of zimbabwe and continues to do so partly because of the failure to address the gukurahundi genocide and its aftermaths which marked the height of zimbabwean authorities tendency to use violence to crush dissent and opposition collectively these essays explore different aspects of the gukurahundi in order 1 to challenge the silencing of the genocide as a mainstream public issue in zimbabwe 2 to demonstrate how deliberately and systematically zimbabwes rulers have refused to allow this issue to be resolved and have in the process completely disregarded the views demands feelings and sensitivities of affected individuals and communities 3 to explore and critique the institutional legal constitutional and political frameworks that have sustained the failure to find a solution 4 to demonstrate how zimbabwe as a state bears collective responsibility for gukurahundi crimes and should therefore hold itself accountable and institute a clear and honest programme to provide a lasting solution that does not lead to further division and 5 this collection emphasises in various ways that the solution to the political culture that has engulfed zimbabwe and prevented it from attaining its independence goals lies in resolving the aftermath of gukurahundi and addressing the culture of violence repression and impunity in zimbabwean politics

the africa yearbook covers major domestic political developments the foreign policy and socio economic trends in sub sahara africa all related to developments in one calendar year the yearbook contains articles on all sub saharan states each of the four sub regions west central eastern southern africa focusing on major cross border developments and sub regional organizations as well as one article on continental developments and one on african european relations while the articles have thorough academic quality the yearbook is mainly oriented to the requirements of a large range of target groups students politicians diplomats administrators journalists teachers practitioners in the field of development aid as well as business people

a comprehensive and accessible introduction this book examines a range of issues pertaining to theory history and critiques of media in africa featuring contributions from global scholars that represent both new and established voices on the african continent and the diaspora this volume explores themes of decolonization media freedom media censorship identity representation pluralism media framing political economy of the media with emphasis on ownership market trends and transnational media operations in africa contributors explore these and other topics across a variety of media tiers types genres and platforms the book also features contributions from practicing journalists and media practitioners working in africa providing students with hands on knowledge from the field chapters in this volume take an instructional approach with contributors engaging key concepts and related theories to explore the praxis of media in africa through specific case studies an essential text for students of media communication journalism and cultural studies who are studying media in africa as well as those studying global media
