from the former wife of the legendary rolling stones guitarist an interesting alternate view of the stones legacy publishers weekly in this behind the scenes portrait of one of the biggest rock bands in history jo wood comes clean about her three decades as the girlfriend and eventually the wife of rolling stones guitarist ronnie wood

this startlingly honest laugh out loud memoir vividly describes life on tour in the studio at the legendary parties and every raucous moment in between at the age of sixteen jo burst onto the british modeling scene and became a fixture at london s most glamorous parties a few years later just twenty two years old and a single mom she met ronnie wood and her life changed forever jo paints an astonishing picture of the sex drugs booze groupies and above all the fun that filled her thirty years within the stones inner circle she offers intimate portraits of mick jagger keith richards jerry hall and patti hansen and recalls the excitement of getting to know a list celebrities like kate moss andy warhol johnny depp and slash jo also opens up about her life with ronnie their love affair the demands of being a mother by day and a wild child by night and coping with ronnie s difficult behavior as his addictions consumed him she reveals her heartbreaking account of what happened when ronnie left her for an eighteen year old waitress explaining how she was able to forgive and find new happiness including photographs from jo s personal collection it s only rock n roll is a compelling piece of rock n roll history from a woman with a backstage pass and front row seat

succeed on internal medicine board certification and recertification exams with cleveland clinic intensive board review of internal medicine 6e the new edition contains ancillary and online exclusive content drawing from the expertise of the distinguished cleveland clinic faculty taking a more clinical approach than other review texts this practical resource includes a unique and well structured set of exercises that offer a challenge at the end of each chapter

momaday must be ranked among the greatest of our contemporary writers american scholar momaday s poems are rich with description lush with dreaming and filled with magic library journal starred review from pulitzer prize winner and revered literary master n scott momaday a beautiful and enchanting new poetry collection at once a celebration of language imagination and the human spirit language and the imagination work hand in hand and together they enable us to reveal us to ourselves in story that is indeed a magical process we imagine and we dream and we translate our dreams into language from the preface a singular voice in american letters momaday s love of language and storytelling are on full display in this brilliant new collection comprising one hundred sketches or dream drawings furnishings of the mind as he calls them influenced by his native american heritage and its oral storytelling traditions here are prose poems about nature animals warriors and hunters as well as meditations that explore themes of love loss time and memory each piece full of wisdom and wonder showcases momaday s extraordinary lyrical talent the breadth of his imagination and the transformative power of his writing dream drawings is also illustrated with a selection of black and white paintings by momaday that capture the spirit of his prose poignant inspired and timeless this is a collection that will nourish the soul

this study argues that allusion is a central part of classic british detective fiction it demonstrates the fraught status of shakespeare and the bible during the golden age of the british detective novel and the cultural currents which novelists navigated whilst alluding to them the first part traces the complex web of allusions to shakespeare and the bible which appear in the novels of agatha christie and dorothy l sayers examining the meanings these allusions produce the second part explores the way in which sayers own collection of detective novels became a canon on which later novelists exercised those same allusive practices it studies allusions to sayers novels throughout the twentieth century and into the twenty first from gladys mitchell and p d james to reginald hill and sujata massey this study reveals

allusion as a shaping force at the origin of the classic british detective novel and a continuing element in its identity

dazzling in glittering prose momaday recalls stories passed down through generations illuminating the earth as a sacrosanct place of wonder and abundance at once a celebration and a warning earth keeper is an impassioned defense of all that our endangered planet stands to lose esquire a magnificent testament to the earth from pulitzer prize winning novelist and poet n scott momaday one of the most distinguished voices in american letters n scott momaday has devoted much of his life to celebrating and preserving native american culture especially its oral tradition a member of the kiowa tribe momaday was born in lawton oklahoma and grew up on navajo apache and peublo reservations throughout the southwest it is a part of the earth he knows well and loves deeply in earth keeper he reflects on his native ground and its influence on his people when i think about my life and the lives of my ancestors he writes i am inevitably led to the conviction that i and they belong to the american land this is a declaration of belonging and it is an offering to the earth in this wise and wondrous work momaday shares stories and memories throughout his life stories that have been passed down through generations stories that reveal a profound spiritual connection to the american landscape and reverence for the natural world he offers an homage and a warning he shows us that the earth is a sacred place of wonder and beauty a source of strength and healing that must be honored and protected before it s too late as he so eloquently and simply reminds us we must all be keepers of the earth

richard garwin was awarded the presidential medal of freedom by president barack obama called a true genius by enrico fermi richard garwin has influenced modern life in far reaching ways yet he is hardly known outside the physics community this is the first biography of one of america s great minds a top physicist a brilliant technological innovator and a trusted advisor of presidents for sixty years among his many contributions to modern technology are innovations we now take for granted air traffic control systems touch screens color monitors laser printers gps satellite navigation and many other facets of everyday contemporary life but certainly his most important work has been on behalf of nuclear disarmament as a key member of the los alamos team that developed the hydrogen bomb he created the final design garwin subsequently devoted much of his career to ensuring that nuclear weapons never again be used he has spent hundreds of hours testifying before congress serving on government advisory committees and doing work that is still classified all the while working for ibm as a researcher a genuine polymath his ideas extend from propulsion systems for interplanetary flight to preventing flu epidemics never shy about offering his opinions even to rigid government bureaucracies unwilling to change garwin continues to show leaders how to do the smart thing the world is a more interesting and safer place because of his many accomplishments
