with an appendix containing a full analysis of the debts of the united states the several states municipalities etc also statements of street railway and traction companies industrial corporations etc statement omitted on later vols

the controversial bible scholar and author of the evolution of adam recounts his transformative spiritual journey in which he discovered a new more honest way to love and appreciate god s word trained as an evangelical bible scholar peter enns loved the scriptures and shared his devotion teaching at westminster theological seminary but the further he studied the bible the more he found himself confronted by questions that could neither be answered within the rigid framework of his religious instruction or accepted among the conservative evangelical community rejecting the increasingly complicated intellectual games used by conservative christians to protect the bible enns was conflicted is this what god really requires how could god s plan for divine inspiration mean ignoring what is really written in the bible these questions eventually cost enns his job but they also opened a new spiritual path for him to follow the bible tells

me so chronicles enns s spiritual odyssey how he came to see beyond restrictive doctrine and learned to embrace god s word as it is actually written as he explores questions progressive evangelical readers of scripture commonly face yet fear voicing enns reveals that they are the very questions that god wants us to consider the essence of our spiritual study

the internet is changing how we communicate with each other how we gather information how we form communities and more and more how we engage in commercial transactions this casebook addresses the last of these transformations it addresses the law of electronic commerce it puts together everything needed to teach a course in e commerce it addresses all of the important legal issues that arise in conducting business via the internet beginning with registration of a domain name and including contracting protecting intellectual property complying with government regulations and resolving disputes it is besupplemented with a website that contains online materials referenced in the book as well as updates reflecting important developments in the law of e commerce
