an archival book

in a book that highlights the existence and diversity of amish communities in new york state karen m johnson weiner draws on twenty five years of observation participation interviews and archival research to emphasize the contribution of the amish to the state s rich cultural heritage while the amish settlements in pennsylvania and ohio are internationally known the amish population in new york the result of internal migration from those more established settlements is more fragmentary and less visible to all but their nearest non amish neighbors all of the amish currently living in new york are post world war ii migrants from points to the south and west many came seeking cheap land others as a result of schism in their home communities the old order amish of new york are relative newcomers who while representing an old or plain way of life are bringing change to the state so that readers can better understand where the amish come from and their relationship to other christian groups new york amish traces the origins of the amish in the religious confrontation and political upheaval of the protestant reformation and describes contemporary amish lifestyles and religious practices johnson weiner welcomes readers into the lives of amish families in different regions of new york state including the oldest new york amish community the settlement in the conewango valley and the diverse settlements of the mohawk valley and the st lawrence river valley the congregations in these regions range from the most conservative to the most progressive johnson weiner reveals how the amish in particular regions of new york realize their core values in different ways these variations shape not only their adjustment to new environments but also the ways in which townships and counties accommodate and often benefit from the presence of these thriving faith communities

this book presents an in depth fieldwork based study of the greek language spoken by immigrants in cairns far north queensland australia the study analyzes language contact induced changes and code switching patterns by integrating perspectives from contact linguistics and interactional approaches to language use and code switching lexical and pragmatic borrowing code mixing discourse related and participant related code switching and factors promoting language maintenance are among the topics covered in the book the study brings to light original data from a speech community that has received no attention in the literature and sheds light on the variation of greek spoken in diaspora it will appeal across disciplines to scholars and students in linguistics anthropology sociology and migration studies

though just a small town sharpville has had an outsized influence on the american iron industry this book tells that story plus many more the canal that gave the town its start its railroads the personalities who lived here the churches and clubs its ethnic heritage sports heroes long gone landmarks and institutions and the traditions that make sharpville unique events whether of local note or part of national trends are here recounted more than just an account of town lore this is a thoroughly researched book that gives the reader an insight into life here in years past from a variety of perspectives anyone who lives in the shenango valley will find interest in these pages as will someone who has since moved away but whose heart still remains here the short articles contained within this book are grouped into themed chapters with many not seen before photos it makes for an enjoyable and readable account of this little burg in times past

how can we best analyse contemporary welfare state change and how can we explain and understand the politics of it this book contributes to these questions both empirically and theoretically by concentrating on one of the least likely cases for welfare state transformation in europe it analyzes in detail how and why institutional change has taken germany s welfare state from a conservative towards a new work first regime christof schiller introduces a novel analytical framework to make sense of the politics of welfare state transformation by providing the missing link the capacity of the core executive over time examining the policy making process in labour market policy in the period between 1980 and 2010 he identifies three different policy making episodes and analyses their interaction with developments and changes in such policy areas as pension policy family policy labour law tax policy and social assistance the book advances existing efforts aimed at conceptualizing and measuring welfare state change by proposing a clear cut conceptualization of social policy regime change and introduces a comprehensive analysis of the transformation of the welfare work nexus between 1980 and 2010 in germany this book will be of interest to students and scholars of social policy comparative welfare state reform welfare politics government governance public policy german politics european politics political economy
