to introduce john lydgate s landmark poem the troy book to students and non
specialist readers the editor has selected the essential passages from the poem and
bridges any gaps with textual summaries also included are an introduction gloss
notes and a glossary john lydgate a monk of the great benedictine abbey of bury st
edmunds in suffolk began composing the poem an ambitious attempt at recounting
the trojan war in middle english in october 1412 on commission from henry prince of
wales later king henry v and completed it in 1420 the poem is an interesting study for

those interested in medieval approaches to classical sources as well as for its often contradictory and complicated take on contemporary chivalry

this volume presents a unique collection of middle english romances each with a different view of society one of the oldest english romances floris and blancheflour presents a tale of oriental wonders a harem an emir who never lacks a wife eunuchs and a garden housing a magical tree and spring sir degrevant relates a tale of country nobility and marriage between the low and high ranks while realistically illustrating their status and the ever present issues of love and battle the squire of low degree is a poem about social mobility and the difference between reputation and wealth the tournament of tottenham and its likely continuation the feast of tottenham are excellent examples of burlesque where the humor is inescapable the bumpkin heroes in their stuffed sheepskins fighting with flails for the reeve s daughter who is watching them with her pet hen on her lap are a spectacle not easily forgotten from the introduction
