describes the spring migration courtship and raising of their young by two great blue herons largest of the american herons

this book features one of the author s favorite birds the great blue heron he hopes you enjoy this intimate look into the life of a truly magnificent american bird most of these photos were taken by him in the beautiful hocking hills area of southeastern ohio this book is intended as a photographic essay concerning one bird species the great blue heron it is not a technical piece by any means my intent is to let these photographs speak for themselves as much as possible i might interject my observations into its photographic narration at some points but only as clarification or to point out an observation of my own pertaining to what these great birds have taught me about themselves they were the teachers i was the eager student they still have much to teach me i ll never live long enough to know it all i was amazed to find that i had over 9 000 images of great blue herons in my computer folders i know i will run across some photographs later on and say to myself i should have included this one or that one i still take more photos each time i go to my lake i can t help myself who knows if the next photo will teach me something else about these aptly named birds i m almost afraid to check my picture files for all the other

species i have photographed if all goes well with this offering i may do other books on other species in at some point in the future

high above sapsucker pond a male great blue heron returns to his nest for the third year in a row together he and his mate set out on a splendid adventure in a nest as large as your bed mama heron lays five beautiful blue eggs people watching the live streaming video call the last one fiver but now they face dangers including a blizzard in april and a hungry owl attack mama and papa heron work hard to bring their chicks into the world and fiver finally hatches the herons grow too big for the nest and must learn to fly and hunt after her siblings have learned how to fly fiver must leap from the nest fifty feet off the ground can she do it this educational wildlife tale describes the extraordinary lives of a family of great blue herons author and teacher anita schmidt kyanka follows their day to day events and challenges her original watercolor illustrations immerse children in the beauty of nature
