a new york times bestseller a revelatory look at how our environment unconsciously yet dramatically shapes the judgments and decisions we make every day most of us go through life believing that we are in control of the choices we make that we think and behave almost independently from the world around us but as drunk tank pink illustrates the truth is our environment shapes our thoughts and actions in myriad ways without our permission or even our knowledge armed with surprising data and endlessly fascinating examples adam alter addresses the subtle but substantial ways in which outside forces influence us such as color s influence on mood our bias in favor of names with which we identify and how sunny days can induce optimism as well as aggression drunk tank pink proves that the truth behind our feelings and actions goes much deeper

than the choices we take for granted every day

learn how colors words and symbols unknowingly alter the way you think behave and perceive reality the title drunk tank pink is in reference to the discovery that when jail cells are painted pink it reduces violence among inmates in this book social psychologist adam alter guides us through the many thousands of ways our minds are influenced and manipulated both knowingly and unknowingly as alter puts it your mind is the collective end point of a billion tiny butterfly effects in this summary we ll dive into the ethereal world of the subconscious mind and learn how signs and symbols around us affect how we perceive the world how the behavior of others can change the way we view ourselves how your name can potentially help determine your career and more do you want more free book summaries like this download our app for free at quickread.com app and get access to hundreds of free book and audiobook summaries disclaimer this book summary is meant as a preview and not a replacement for the original work if you like this summary please consider purchasing the original book to get the full experience as the original author intended it to be if you are the original author of any book on [quickread](http://quickread.com) and want us to remove it please contact us at hello@quickread.com

drunk tank pink probes the hidden psychological and social influences that shape the way we see think feel and act in the world

drunk tank pink is a particular shade of pink in 1979 psychologists discovered that it has an extraordinary effect if you stare at it for two minutes you dramatically weaken in strength in this brilliant study of the strange recesses of our minds adam alter reveals the world is full of such hidden forces that shape our every thought feeling and behaviour without us ever realizing some letters in product names make us more likely to buy them nearly all successful brands contain a k sound we re more likely to be critical if we write in red rather than green biro your first report at school can determine your future career understanding these cues is key to smarter decision making more effective marketing and better outcomes for our selves and our societies prepare for the most astounding and fast paced psychology book since blink and predictably irrational

i ve loved more blades than people so i ll shoot you through the peephole before i ever open the door sometimes the floor is the only place you can lay your head i could make a summary of everything i ve ever read and you still wouldn t get the picture life s been a mixture of heavy grays and whole days spent looking at my bedroom ceiling is it still just a feeling if it changes who you are i can t remember the last time i looked for shooting stars or wished on fallen eyelashes my memory is full of crashes and i can feel the hardness in my sides this is the story of me my pride and i

learn how to become time wise using the hacks that high achievers rely on to accomplish more than the average person so you can do your best work and have fun while doing it organisational psychologist dr amantha imber has interviewed more than 150 bestselling authors musicians entertainers entrepreneurs and business leaders for her podcast how

i work to get inside their heads and understand the routines and rituals that enable them to achieve their purpose three years and over 3 million podcast downloads later she has uncovered a wealth of proven strategies that anyone can adopt to improve their productivity work and lifestyle whether you are a ceo working parent small business owner or university student in this clear and value packed book amantha brings together all the gems she s learned from her conversations with guests including adam grant dan pink cal newport mia freedman turia pitt b j fogg sandra sully kochie gary mehigan and gretchen rubin to name just some covering energy efficiency decision making self talk digital distractions and more amantha s practical and research backed guide will allow you to shortcut your way to achieving more in less time with less stress and greater joy

the signs are everywhere for those who can read them because of television advertising and the internet the primary literacy of the 21st century will be visual it s no longer enough to read and write text our students must learn to process both words and pictures they must be able to move gracefully and fluently between text and images between literal and figurative worlds page 4 of cover

just about every book on creativity is bullshit filled with lofty theoretics and complexity about why you should be creative they lack sound practical tools about how to become more creative that s where this book comes in the creator mindset is designed to bring you simple sound and practical tools to awaken your creativity at work even if you don t think you are creative not fluff or theories no bullshit or fillers bashan draws on a lifetime of success in business to give you real actionable tools that you can use to become more creative and each chapter brims with businesslike action items on how to make creativity happen at work written in plain language with real world examples chapters include creativity for non creative people training your mind to think in a creative way when nothing else works creativity will the virtues of listening and the value of making mistakes meant to be used as a manual which you can draw upon at the office business or in your career the creator mindset is all about teaching you how to awaken your long lost creativity in order to see the world as it can be not as it is

power your business culture with strong workplace relationships and watch productivity and profitability soar for years companies have been implementing programs that promote social responsibility and improve employee health both of which benefit the financial bottom line now it s time to focus on positive social interactions and relationships in the workplace why research shows that authentic trust based relationships increase job satisfaction engagement productivity and retention and even decreased healthcare costs in work better together two experts from deloitte explain how working remotely over relying on digital communication and always being on is fast increasing feelings of isolation and burnout and how a work culture driven by quality relationships can reverse these trends the authors show how to cultivate positive relationships by focusing on self care such as physical health quality sleep and taking time off tapping into human skills such as empathy authenticity and communication

using technology with intentionality to strengthen relationships while breaking the negative habits technology fosters managing workplace relationships whether you're in the office every day or telecommuting or something in between developing a culture of strong relationships that drive quality collaboration throughout the organization work better together walks you through the process of implementing change and fueling a much needed corporate movement towards humanity in the workplace based on the authors 40 combined years of experience it helps you meet today's employees most urgent needs while benefitting your organization in real and measurable ways

five women angered by continuous acts of abuse and domestic oppression garb themselves in pink robes and hoods and embark on a campaign of revenge as their behavior becomes increasingly audacious they accidentally kill a man the son of a U.S. senator
