writing a 588 page book of your own creation would be a hard task to complete in 85 days especially one as complex consistent original historical accurate and profound as the book of mormon when you read could you write a book comparable to the book of mormon your mind will be opened to the many challenges that joseph smith would have faced in writing this intricate book if he was indeed the author it is my hope that you will be left with no other conclusion than the book of mormon was translated by divine intervention that no man could have invented such a book under those conditions and that joseph smith truly was chosen by god to translate this ancient book of scripture

considered an expert about the book of enoch dr randy delp has put together an analysis of this ancient book to explain why jesus and the new testament writers were not only influenced by the book of enoch they quoted its contents cited its texts and labeled it scripture the teachings of enoch have influenced every major monotheistic religion including islam judaism christianity and zoroastrianism and vestiges can be found in hinduism and other ancient religions the footprints of his teachings are seen throughout every generation and the finality of his message has yet to be fulfilled enochs influence in astronomy history religion education and para psychology has forged how society thinks today it is significant to note that the prophet named enoch who was born seven generations after adam and eve may be the only person in history who has had a positive effect on every major and minor religion while nothing negative is ever spoken about him

j is the title that scholars ascribe to the nameless writer they believe is responsible for the text written between 950 and 900 bce on which genesis exodus and numbers is based in the book of j bloom and rosenberg draw the j text out of the surrounding material and present it as the seminal classic that it is in addition to rosenberg s original translations bloom argues in several essays that j was not a religious writer but a fierce ironist and a woman living in the court of king solomon he also argues that j is a writer on par with homer shakespeare and tolstoy bloom also offers historical context a discussion of the theory of how the different texts came together to create the bible and translation notes rosenberg s translations from the hebrew bring j s stories to life and reveal her towering originality and grasp of humanity

excerpt from the book of books what it is how to study it it is by no means claimed for this volume that it covers all that can be said upon the subject under consideration the matter of biblical introduction treated in part i is an exceedingly extensive one if all the books that have been written on this one subject could be brought to gether we should be led to say with the apostle of old i suppose that even the world

itself could not contain them about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
