Chapter 3 Maintaining Your Lighthouse Automation and Monitoring Your lighthouse isnt a onetime installation It requires constant maintenance and attention The same goes for your email marketing Email automation Use automated email sequences to nurture leads welcome new subscribers and promote your products or services Its like setting your lighthouse on autopilot ensuring it shines consistently even when youre sleeping AB testing Experiment with different subject lines copy and calls to action to see what resonates best with your audience Its like testing the strength and reach of your lighthouse beam to ensure its optimal Analyze your results Track your open rates clickthrough rates and conversions to see whats working and whats not This helps you constantly improve your lighthouses effectiveness
