hannah is an only child with a good job as a contract clerk at the port chalmers company but at 46 her only relationship ended some years ago and she has sworn off men then the family lawyer tells her there is a branch of the family at the other end of new zealand in the bay of islands and her half uncle monty balfour has left her a bookstore in kerikeri that has lain undisturbed for nearly thirty years she meets barry a possum trapper and there is a spark between the big city girl and the wild forest man surely she couldn't leave a well paid job and travel the length of the country to take on the uncertainty of owning a bookstore could she this book was first published at amazon until their author support did crazy things once too often and this comes from a maths teacher who is very it literate it had an average rating of 4.35 from 52 reviews when unpublished at amazon early in 2025

examines america's experience with a wide range of quarantine practices over the past 400 years and the political economic immigration and public health considerations that have prompted success or failure within the evolving role of public health the novel strain of coronavirus that emerged in late 2019 and became a worldwide pandemic in 2020 is only one of more than 87 new or emerging pathogens discovered since 1980 that have posed a risk to public health while many may consider quarantine an antiquated practice it is often one of the only defenses against new and dangerous communicable diseases tracing the united states quarantine practices through the colonial postcolonial and modern eras germs at bay provides an eye opening look at how quarantine has worked

despite routine dismissal of its value this book is for anyone seeking to understand the challenges of controlling the spread of covid 19 and helps readers internalize the lessons learned from the pandemic few titles provide this level of primary source data on the united states long reliance on quarantine practices and the political social and economic factors that have influenced them
