how to live korean takes a deep dive into korean culture unpacking what it means to be korean in all its forms and uncovering the way the locals think what they enjoy getting up to and who they do it with whether it s korean movie parasite sweeping the oscars the explosion of interest in k pop blackpink becoming the world s biggest girl band the dominance of the global smartphone market foodies going crazy for bibimbap and kimchi or the incredible hype around k beauty products korea is having a moment but how much do you know about the real korea the locals take on their amazing country that s where this illuminating culture guide comes in shining a light on korea s compelling history and stunning geography its unique customs and the quirks of daily life the mainstays of korea s vibrant cultural life and style are covered in detail giving you the lowdown on the country s burgeoning film industry korean s unique take on fandom the quirky fashion scene and the innovative hubs for art and design if you ever have wanted to learn how to date like a korean know where the locals hang out in seoul honeymoon like korean newlyweds discover the correct way to eat korean food or use the art of nunchi to improve your emotional intelligence this insider s guide to the heart and soul of korea is not to be missed from the how to live series of insightful guides to some of the most intriguing cultures and locations on the planet other books available include how to live japanese how to live icelandic and how to live north

vivid and picturesque description of korea in the dawn of the 20th century written by rev jacob robert moose 1864 1928 an american missionary who came to korea in 1889 to serve the korean mission fields for 25 years readers will be amused by the vitality of korea depicted with love and affection a century ago village life in korea while one may find no less than a handful of books about korea written in the turn of the century village life in korea written by rev moose uniquely stands out for its empathetic storytelling of the commoners life in korean villages drawn on the author s firsthand experience acquired among the people of korea in the villages far removed from the outer world the book tells a story on korea and its people in such a

way that the author shares it with a company composed of men women and children who are anxious to learn more about the untold stories of the nation which had been often referred to as the hermit kingdom until the late 19th century after an insightful introduction to korea in the opening chapters geographical sketch resources historical sketch the capital the book begins to unroll its story on the village life the village the village family the village inn the book then moves on to tell stories on the village people so vividly that while reading the next chapters one may feel as if they were visiting the village back in time the village boy the village gentleman the village girl the village woman the village school the village farmer the village mechanic the village merchant the village doctor the village marriage the village funeral the village lawsuit the last chapters of the book are dedicated to religion and most of all to the evangelization of korea the cause to which the whole life of rev moose was devoted the village religion the village church some members of the village church what christianity is doing for the village one may learn from the following excerpts from the final part of the book that rev moose s belief in the evangelical enlightenment of korea could be best attested by the miraculous development of korea in the later part of the century the key to the future of korea may be found in the power which christianity is now instilling into the lives of the village people let the villages in korea become completely christianized and the future of a happy and prosperous people will be assured regardless of who may hold the reins of power in the political realm virtuo digital edition the virtuo digital edition by virtuosi brings the all time classics of the past back to life with carefully revised contents and formats tailored for today s readers

cultural dimensions korea was written for the dedicated traveler professional or business person and serious expatriate who wants to hit the ground running in this complex cultural environment this is not a book about manners and etiquette rather it focuses on what any foreigner needs to know about how their own cultural values and perspectives are likely to interact with the values and perspectives of their korean counterparts co workers and friends mastering the contents of this book will propel you a long way toward the goal of being able to integrate yourself as seamlessly as possible into the social and business life of south korea tim leffel a well known travel writer has this to say about cultural dimensions korea i checked this one out first because i spent 14 months there as an english teacher in the late 1990s to say it was a struggle sometimes from a cultural standpoint is putting it mildly

some expats couldn't deal at all and they bailed out others coped by doing nothing but working and hanging out in expat bars avoiding contact with most locals others just got bitter and were a royal pain to be around the easiest course is to go with the flow and this guide has plenty of advice on how to do that i found the information throughout to be spot on and consistent with my experiences there i wish i'd had this in hand before i moved there and started working travel booklocker.com tag expatriate guides
