Foreign Office Bryan Edwards

originally published in 1917 this book is an investigation of industrial and social conditions in the british west indies in the effort to reach a better

understanding of the part those islands played in the growth and dissolution of the British empire including chapters on white labor in the sugar islands the slave trade and foreign markets for British sugar

Dillman elegantly explores the evolution of English and British perceptions of the landscape of the West Indies and how their representations were used to support the development of the islands they colonized

The Rebel Woman describes a period in Jamaica's history where women played an important part in different forms of protest against slavery. Mair's book details both the negative and positive methods of protest used by the enslaved people of the West Indies an excellent reference for students researching topics relating to slavery freedom and gender
