consumer law and policy continues to be of great concern to both national and international regulatory bodies and the second edition of the handbook of research on international consumer law provides an updated international and comparative analysis of the central legal and policy issues in both developed and developing economies

this is a truly international effort and one with a strong commitment to human rights by the highly reputable authors coming from different jurisdictions the many facets of today's consumer law are presented to the reader including developing countries a fascinating effort in a dynamically emerging field of law we are comprehensively informed about such bread and butter areas as advertising unfair terms consumer guarantees product safety and liability consumer credit and redress but traditional consumer law concepts and remedies are facing challenges in more complex areas like services of general internet where consumers and private users should enjoy equal access to universal services with the internet where speed must not be a pretext to eliminate standards of fair dealing with risky investment services under the problematic paradigm shift from investor protection to investor confidence a book to read to think about to work with for everybody interested in the future of consumer markets and law in a time of economic crisis norbert reich university of bremen germany this is a richly interesting collection of essays written by leading names in the field it offers a thoroughly reliable survey of key tensions and challenges in modern consumer law and brilliantly combines thematic overview with detailed analysis it will stimulate comparative thinking it will provide a source of information and it will be welcomed by consumer law scholars all over the world stephen

weatherill university of oxford uk consumer law and policy has emerged in the last half century as a major policy concern for all nations this handbook of original contributions provides an international and comparative analysis of central issues in consumer law and policy in developed and developing economies the handbook encompasses questions of both social policy and effective business regulation many of the issues are common to all countries and are becoming increasingly globalised due to the growth in international trade and technological developments such as the internet the authors provide a broad coverage of both substantive topics and institutional questions concerning optimal approaches to enforcement and the role of class actions in consumer policy it also includes comparative insights into the influential eu and us models of consumer law and relates consumer law to contemporary trends in human rights law written by a carefully selected group of international experts this text represents an authoritative resource for understanding contemporary and future developments in consumer law this handbook will provide students researchers and policymakers with an insight to the main policy debates in each context and provide models of legal regulation to assist in the evaluation of laws and the development of consumer law and policy

the recent introduction of the consumer protection act revolutionised consumer rights in south africa it also fundamentally altered the way in which businesses are required to treat their clients imposing a new set of obligations or at least a formalised set of responsibilities that had been easily circumnavigated or simply ignored before marketing campaigns returns policies terms and conditions quality issues and a host of business practices had to be reviewed and reappraised some businesses have done this while many blithely continue as if nothing has changed little appreciating the risks of non compliance and perhaps more importantly failing to appreciate that treating consumers fairly is simply a sound business practice this new work provides a comprehensive overview of consumer law not just the act in a way that follows the typical structure of consumer transactions it serves to guide educate and enlighten the professional the business person and the consumer alike no business or professional adviser should be without it written by a leading specialist in the field it is simple clear comprehensive authoritative and accessible
