the word culture in recent years has been widely and erroneously employed in political educational and journalistic contexts in helping to define a word so greatly misused t s eliot contradicts many of our popular assumptions about culture reminding us that it is not the possession of a class but of a whole society and yet its preservation may depend on the continuance of a class system and that a classless society may be a society in which culture has ceased to exist surveying the contemporary scene mr eliot points out that our standards of culture are lower than they were fifty years ago finds evidence of this decay in every department of human activity and sees no reason why the decay of culture should not proceed much further he suggests that culture and religion have a common root and that if one decays the other may die too he reminds us that the russians have been the first modern people to practise the political direction of culture consciously and to attack at every point the culture of any people whom they wish to dominate the appendix includes his broadcasts to europe ending with a plea to preserve the legacy of greece rome and israel and europe s legacy throughout the last 2 000 years behind the urbanity the modesty the mere good manners of mr eliot s exposition one cannot mistake the force and significance of what he has to say or ignore that it constitutes a fundamental attack on most of our assumptions on the subject the london spectator provided by publisher

When somebody should go to the books stores, search inauguration by shop, shelf by shelf, it is in point of fact problematic. This is why we offer the books compilations in this website.
