tal vez dentro de lo imaginable os parezca algo paranormal pero para los misterios no existe misterio de lo cual no se pudiere la imaginación llegar al mundo invisible que nos rodea entre lo vivo y la misma muerte una frontera de la cual algún día brincaremos para el más allá pero lo que separa estos dos mundos solo encontrará la respuesta en la leyenda de la niña de las sombras en el reencuentro con la muerte y el gemir de una alma en pena que vaga entre las sombras en busca de su mamá que con los llantos os espantará la imaginación hasta donde se puede soportar el horror de ultratumba porque si de lo terrífico se tratara la tortura fuera poca comparable con lo que ustedes mis queridos lectores encontraran en esta leyenda del reencuentro con la muerte más reitero obviamente que este libro no es acto para menores ni personas cardiacas ya que su contenido hace un encuentro de emociones que pudieren parecer reales en cada capítulo ya que el reencuentro con la muerte podría ser el final pero para la venganza del más allá sea el mundo invisible en el que no existen fronteras ni escape del castigo de ultratumba cuando un alma vaga en pena entre las sombras como la de esta leyenda de una niña que vio matar su mamá y del sufrimiento que esto le causó se fue al reencuentro con la muerte la leyenda del reencuentro con la muerte lo que separa la vida de la muerte más nos enlaza el pensador

the relationship between migration and media has become an essential topic of study due to its ethical and civil responsibility implications particularly in today's digitalized global environment the media's narrative on world and regional politics local and global economy religion war and civil conflicts affects the experience of migration and diaspora in response artistic representations and cultural interventions have

become forms of activism resistance and confrontation against the narrative of power likewise the digital space began to be used more intensely as a place of activism for migrants and civil society interested in their human rights for instance digital archives such as humanizing deportation and social media are used to do activism the first one through digital storytelling where migrants can express their deportation stories on video and the second one uses digital circulation to create community and as a call for action artistic technological interventions such as *playas de tijuana mural 2019* use art and technology to protest the politics of migration by portraying family separation theater intermedial performances use virtual spaces to represent distance and the resistance to it cinema shows the social and political implications of their visual narrative finally new practices concepts and models in ai journalism and internet freedom have created a rhetoric that could benefit migrants migration is usually seen through numbers statistics graphics and quantitative data which dehumanizes migrants with this book we aim to contribute to the knowledge of the phenomena through the lenses of a more humanistic approach to activism in digital media in the hispanic world we propose chapters that explore the activism of migrants and civil society committed to them from a critical perspective this book intended to be read by students researchers and the public interested in migration presents interdisciplinary approaches to activist narratives art and digital it explores diverse types of migrations and related phenomena such as deportation voluntary return caravans the cuban diaspora us childhood arrivals and the particularities of the southern u s border these topics are analyzed in essays on race politics theater film music painting journalism multimedia digital archives social media storytelling and artificial intelligence in the abstracts you will find diverse perspectives on how digital media act as platforms that allow horizontal activism which is a direct response at the same level as the rhetoric of power likewise the proposed essays enable us to reflect on the role of arts and media in favoring the expression of the migrant community and those who share a common feeling still in the same way we will see how digital media if misused can also harm vulnerable communities work by newer and established migration studies digital culture scholars and scholars from both sides of the us mexico border and other latitudes is incorporated providing a comprehensive overview of the intersection

between migration media and arts in latin america the book will consist of an introduction and 13 chapters divided into three sections 1 media and digital media artists activism 2 migrant activists online and 3 activism through new constructive practices editors rubria rocha de luna postdoctoral researcher tecnologico de monterrey jacob bañuelos capistrán professor tecnologico de monterrey
