a little girl experiences the many gifts of friendship in this edition of the colorful children's book presented simultaneously in English and Spanish. Vibrant illustrations and a simple rhythmic text are perfectly blended in this spirited homage to friendship as a little girl recounts all the things she has learned from an enchanting menagerie of animal friends: I learned to run from my friend the horse, I learned to sing from my friends the birds, I learned to read from my friends the books, and I learned to love from a friend like you. The bold graphic design and brightly colored illustrations that have become the trademark of Taro Gomi's work will appeal to both children and adults. Praise for my friends in this ode to everyday activities and things: a free-spirited girl hops, jumps, and kicks her way across the countryside paying homage to her friends. Along the way, Gomi's meticulous sense of design and careful use of brilliantly colored, highly delineated images imbues the story with a sense of the wonder and delight to be derived from life's simplest but bountiful moments. Publishers Weekly: A little girl recites all the pleasurable things she has learned from her friends, including such meaningful things as reading and studying, and most importantly, loving. An elemental story that will reach toddlers and older preschoolers alike. Booklist

The papers collected in this volume deal mainly with ancient Greek or Roman philosophy; they range chronologically from the 5th century BC to the 6th century AD, and in them the evidence is fully presented and discussed. They are concerned mainly with the Presocratics, Plato, Aristotle, the early Academy, the Platonic and Aristotelian traditions, especially as represented by Neoplatonism. In addition, there are a few more general articles. The first deals with the saying *amicus Plato, sed magis amica veritas* and studies the different forms of this proverb from the time of Plato and Aristotle to Cervantes in the 17th century. Another one discusses the rather complex transmission of Plato's alleged epitaph. A third one deals in detail with an incomplete but interesting allegorical interpretation of Heliodorus' *Aethiopica*.
