everyone loves a good story one with interesting characters an intriguing plot lots of twists and turns and a surprise ending storytelling is an entertaining art but it is also instructive and essential to intellectual moral and spiritual growth literature as all art is a gift of divine grace a pathway to mystery each literary experience is slightly beyond our horizon of understanding what a gift literature is when it enhances spirituality each literary moment confounds in order to keep us going and growing the restoration of wonder is the beginning of the inward journey toward the awaiting god soul food contains stories that are both entertaining and inspiring wholesome and heart warming some are humorous others are tragic or sad but all are memorable the collection is divided into five sections 1 personal stories 2 biblical and faith stories 3 classic stories fables and tales 4 literary and historical stories and 5 inspirational stories some of these stories come from personal experience my own and that of family and friends others including myths legends fantasies and tales come from folklore and oral tradition while others are taken from the public domain as you read these stories sequentially or randomly i trust they will aid you in your quest for meaning direction and stability enjoy these stories and may they enhance your journey through life and its manifold seasons i hope you will return to this collection repeatedly finding in these stories courage wisdom and inspiration

transsexualism is a phenomenon of our time at other times and in other places there have been or still are people not living in the sex of their origin and having a special status in western culture however hormones and surgery have become available through advances in medical science which have made sex change a reality

wagner and o neill delve into their vast experience in the middle east to help readers understand what happened when israeli prime minister yitzhak rabin and plo chairman yasser arafat shook hands in a peace agreement on the white house lawn foreword by richard c halverson

this unique resource offers the fascinating account of donald e wagner s personal experience with the middle east and calls western christians to work with middle east christians in healing the pain of jews and palestinians wagner grippingly tells of his early involvement with streams of christianity that treat israel s possession of the holy land as fulfillment of a divine plan that will result in the apocalyptic battle of armageddon

once in a while a book comes along that can reshape the thinking of the world one person at a time reading the muslim mind is just such a book dr hassan hathout starts out from a simple observation a lifetime of biculturalism the egyptian born physician has lived in britain and now resides in the usa leads him to note that islam in the west is widely known for what it is not this encyclopedic personality doctor of medicine thinker speaker poet sets out to guide the reader on a comprehensive tour through islam for this voyage he supplies a keen and lucid anatomy of the islamic life but more he provides with incisive clarity the inner guidebook he uncovers the tracing of the mind at work behind the practice the spirit behind the letter the rationale and the ultimate reason god for non muslims and what dr hathout aptly calls the judeo christian islamic world tradition at large the trip proves illuminating and always thought provoking for muslims it will re anchor and enrich their faith and offer vital and timely answers to up to the minute dilemmas of life at the brink of the

millennium the book addresses key issues of our time from the islamic perspective dr hathout in this wise warm and inspiring work is speaking to the audience of humankind in the age of selfishness microtheism and godlessness in his clarion call of hope the author knows that when a minimum critical mass turns to cooperation and understanding real change is possible to be known for what one really is is nothing less than a human right dr hathout notes here then is islam as it really is and the world as it really can be book jacket

teaching demands many talents and takes many forms but few teachers devote most of their working life to the teaching of those who are oppressed eleanor aitken did and her story a detailed and shocking account of the plight of palestinians makes remarkable reading having seen at first hand how cruelly mistreated and maligned they were she felt strongly the need to help more people to understand the palestinian situation their history and their culture the founding of an educational trust for palestinians in which the author s role was instrumental had a dual aim to help westerners especially native speakers of english to learn at first hand about palestine and palestinians and to give palestinians particularly refugees an opportunity to express through the english language the injustices they have suffered the stories of individuals with whom the author came into contact are woven into her own story
