Wuthering Heights is a unique novel in a unique way. The present commentary shows how Emily Brontë's novel defies comparison and is yet deeply rooted in the cultural and literary traditions of Europe. It explores the themes, characters, and form of the novel, including narrative technique, narrative modes, and management of time schemes. The novel's poetic quality is discussed in depth. Some well-known interpretations of the novel are also subjected to critical examination. The book will no doubt prove immensely helpful to students in preparing good answers and will stimulate scholars and researchers to fresh thinking about *Wuthering Heights* and its author.

Emily Brontë's dark romance with an introduction from best-selling author Alice Hoffman. Heathcliff comes to the brooding mansion of *Wuthering Heights* as an orphan child. Cathy is the daughter of the wealthy family that takes him in. They are drawn together from the moment they meet. Their love is consuming, destructive, and full of desire. They cannot be together, and yet they cannot stay apart. The consequences will haunt generations. This is the chilling story of two people who experience love and all its intense complications. It is a story readers will never forget.

Wuthering Heights is a wild, passionate story of the intense and almost demonic love between Catherine Earnshaw and Heathcliff, a foundling adopted by Catherine's father. After Mr. Earnshaw's death, Heathcliff is bullied and humiliated by Catherine's brother Hindley. Wrongly believing that his love for Catherine is not reciprocated, he leaves *Wuthering Heights* only to return years later as a wealthy and polished man. He proceeds to exact a terrible revenge for his former miseries. The action of the story is chaotic and unrelentingly violent, but the accomplished handling of a complex structure, the evocative descriptions of the lonely moorland setting, and the poetic grandeur of vision combine to make this unique novel a masterpiece of English literature. About Emily Brontë: Emily Jane Brontë was a British novelist and poet, now best remembered for her only novel, *Wuthering Heights*, a classic of English literature. Emily was the second eldest of the three surviving Brontë sisters, being younger than Charlotte Brontë and older than Anne Brontë. She published under the masculine pen name Ellis Bell. Emily was born in Thornton near Bradford in Yorkshire to Patrick Brontë and Maria Branwell. She was the younger sister of Charlotte Brontë and the fifth of six children. In 1824, the family moved to Haworth, where Emily's father was perpetual curate, and it was in these surroundings that their literary oddities flourished. In childhood, after the death of their mother, the three sisters and their brother Patrick Branwell Brontë created imaginary lands: Angria, Gondal, Gaaldine, and Oceania, which were featured in stories they wrote. Little of Emily's work from this period survived except for poems spoken by characters. The Brontës of childhood: Fanny Ratchford, 1941. Do you think Heathcliff loved Hareton even though he said he didn't? Heathcliff used Hareton for his revenge, but I can't help but feel like Heathcliffe loved Hareton despite

not wanting too or maybe he loved him as much as someone like him could love the son of his sworn enemy not to mention that Hareton loved Heathcliff like a father and Hareton's love couldn't have come up out of nowhere can anyone understand Joseph's old Yorkshire dialect perhaps the book would have been better with him dictating the story to Lockwood

Emily Brontë appeared first in the literary world as a poet but she is remembered even today for the single powerful novel *Wuthering Heights* that she composed towards the end of her life the novel is a singular one and it stands outside the main current of nineteenth century fiction because of its peculiar nature it has given rise to much controversy some consider it a gothic novel while others think of it as a novel of revenge some others find in it a romantic tale of languishing love the dramatic way of narration by quoting the exact words spoken by the different characters by mainly two narrators Nelly Dean and Lockwood gives the novel a peculiar interest besides the portrayal of the character of Heathcliff the protagonist betrays a powerful imagination of the novelist like Coleridge Emily Brontë has been successful in giving the esoteric world she has created a touch of reality and credibility by making the supernatural a part of the natural the novel is a story of two houses at *Wuthering Heights* and *Thrushcross Grange* with a vast moorland separating them Heathcliff comes as a disturber of peace in these two houses and the peace is restored only with his death it is not simply a tragic tale although there are several deaths in it the novel shows that there are both good and evil in this world and that evil is ultimately won over by love *Wuthering Heights* remains a powerful creation of Emily Brontë's imagination and because of her originality and poetic intensity it is held that she might have been Shakespeare's younger sister *Westminster Review* 1898
