the subject of the emperor in the byzantine world may seem likely to be a well studied topic but there is no book devoted to the emperor in general covering the span of the byzantine empire of course there are studies on individual emperors dynasties and aspects of the imperial office role but there remains no equivalent to fergus millar s the emperor in the roman world from which the proposed volume takes inspiration for its title and scope the oddity of a lack of a general study of the byzantine emperor is compounded by the fact that a series of books devoted to byzantine empresses was published in the late twentieth and early twenty first

centuries thus it is appropriate to turn the spotlight on the emperor themes covered by the contributions include questions of dynasty and imperial families the imperial court and the emperor's men imperial duties and the emperor as ruler imperial literature the emperor as subject and author and the material emperor including imperial images and spaces the volume fills a need in the field and the market and also brings new and cutting edge approaches to the study of the byzantine emperor although the volume cannot hope to be a comprehensive treatment of the emperor in the byzantine world it aims to cover a broad chronological and thematic span and to play a vital part in setting the agenda for future work the subject of the byzantine emperor has also an obvious relevance for historians working on rulership in other cultures and periods

exam board aqa level as a level subject history first teaching september 2015 first exam june 2016 target success in aqa as a level history with this proven formula for effective structured revision key content coverage is combined with exam preparation activities and exam style questions to create a revision guide that students can rely on to review strengthen and test their knowledge enables students to plan and manage a successful revision programme using the topic by topic planner consolidates knowledge with clear and focused content coverage organised into easy to revise chunks encourages active revision by closely combining historical content with related activities helps students build practise and enhance their exam skills as they progress through activities set at three different levels improves exam technique through exam style questions with sample answers and commentary from expert authors and teachers boosts historical knowledge with a useful glossary and timeline

themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic christian faith themelios is published three times a year online at the gospel coalition thegospelcoalition.org/themelios and in print by wipf and stock its primary audience is theological students and pastors though scholars read it as well themelios began in 1975 and was operated by rtsf uccf in the uk and it became a digital journal operated by the gospel coalition in 2008 the editorial team draws participants from across the globe as editors essayists and reviewers general editor d a carson trinity evangelical divinity school managing editor brian tabb bethlehem college and seminary consulting editor michael j ovey oak hill theological college administrator andrew david naselli bethlehem college and seminary book review editors jerry hwang singapore bible college alan thompson sydney missionary bible college nathan a finn southeastern baptist theological seminary hans madueme covenant college dane ortlund crossway jason sexton golden gate baptist seminary editorial board gerald bray beeson divinity school lee gatiss wales evangelical school of theology paul helseth university of northwestern st

financing the british film industry provides a comprehensive history of the financing of british film production from the origin of the industry until the end of the second world war it documents the growth of the film business from a cottage industry to a mature business enterprise it considers the capitalisation of the industry and analyses the relationships between producers banks and insurance companies it charts the fluctuating fortunes of british film making and the various government backed initiatives support the production sector james chapman argues that the difficulties of the british film industry arose not from the extravagances of individual producers or the collapse of particular companies but from underlying economic and structural weaknesses that the industry was too reliant on short term finance and that the domestic market was insufficient to guarantee a profitable return for anything other than a modestly budgeted film

this book filled with amazing facts and photographs describes what life was like for ancient romans it gives an in depth account of all aspects of life and people of the time including sections about the kingdom of rome the republic of rome the roman empire everyday life the roman army and much more the all about series is an educational collection of books from p s quick and is targeted to interest 7 to 11 year olds but will fascinate readers of all ages at the end of each book there is a quiz section for the reader featuring 150 questions and answers

sensationally good a riveting story the real life spooks and spies far more compelling than anything you will see on the screen history doesn t come more fascinating than this evening standard for over 100 years the agents of mi5 have defended britain against enemy subversion their work has remained shrouded in secrecy until now this first ever authorized account reveals the british security service as never before its inner workings its clandestine operations its failures and its triumphs definitive and fascinating whether reporting on hitler in the 1930s the double cross system of the second world war zionist terrorism the atom spies the cambridge spies the so called wilson plot or the 1988 shooting of the ira bombers in gibraltar this book is essential reading alan judd spectator the british secret service has opened its archives and even insiders may be in for a surprise magisterial extremely readable oleg gordievsky the times compelling a feast max hastings sunday times a superb account he has captured every important detail of the service unlikely to be surpassed for another 100 years simon heffer daily telegraph
