this landmark collection of essays by thirty five historians working on a global scale brings together the latest knowledge and perspectives about the long origins and transformations of today s illicit drugs such as cannabis heroin and cocaine

the first substantial study of a mexican indian society that more than any other has preserved much of its ancient way of life and religion

for centuries the huichol wixárika indian women of jalisco mexico have been weaving textiles on backstrap looms this west mexican tradition has been passed down from mothers to daughters since pre columbian times weaving is a part of each woman s identity allowing them to express their ancient religious beliefs as well as to reflect the personal transformations

they have undergone throughout their lives in this book anthropologist stacy b schaefer explores the technology of weaving and the spiritual and emotional meaning it holds for the women with whom she works and within their communities which she experienced during her apprenticeship with master weavers in wixárika families she takes us on a dynamic journey into a realm of ancient beliefs and traditions under threat from the outside world in this fascinating ethnographic study

north american indians have fired the imaginations of europeans for the past five hundred years the native populations of north america have served a variety of european cultural and emotional needs ranging from noble savage role models for old world civilization to a more sympathetic portrayal as subjugated victims of american imperialism ø this comprehensive interdisciplinary collection of essays offers the first in depth extended look at the complicated changing relationship between european and native peoples the contributors explore three aspects of this relationship why and how did the cultures and histories of europeans enable native peoples to become absorbed into the reality of the old world what happened in actual encounters between american indian visitors and their european hosts how did continued and increased interaction between indians and europeans affect established imagery and preconceptions on both sides
