understanding bible prophecy and the end times is an insightful practical and thought provoking book preparing the church the world and government leaders to understand gods prophetic time clock and the signs of the end times how god controls the course of world history as revealed and proven by the records of scripture what is the new world order who is behind its formation what is the rationale for its formation and what are its characteristics who is the coming super world dictator and what would be the features of his reign of terror when will the church be raptures pre mid or post tribulation what is the mark the image and the number of the beast that revelations 13 is warning us against phases of the resurrection and their relevance on the end time phenomenon end time judgements of god and the marriage supper of lamb the nature characteristics and purpose

of the millennial kingdom how can we prepare ourselves in the light of bible prophecy and its fulfilment with current events undoubtedly reading this book will sharpen your perception and make you a sound student of bible prophecy

in this provocative work seasoned journalist gershom gorenberg portrays a deadly mix of religious extremism violence and mideast politics as expressed in the struggle for the sacred center of jerusalem known to jews and christians as the temple mount and to muslims as the noble sanctuary this thirty five acre enclosure at the southeast corner of jerusalem s old city is the most contested piece of real estate on earth here nationalism combines with fundamentalist faith in a volatile brew members of the world s three major monotheistic faiths judaism christianity and islam hold this spot to be the key to salvation as they await the end of the world and struggle to fulfill conflicting religious prophecies with dangerous political consequences adroitly portraying american radio evangelists of the end radical palestinian sheikhs and israeli ex terrorists gorenberg explains why believers hope for the end and why prominent american fundamentalists provide hard line support for israel while looking forward to the apocalypse he makes sense of the messianic fervor that has driven some israeli settlers to oppose peace and he describes the islamic apocalyptic visions that cast israel s actions in jerusalem as diabolic plots the end of days shows how conflict over jerusalem and the fiery belief in apocalypse continue to have a potent impact on world politics and why a lasting peace in the middle east continues to prove elusive

through the ages many kings and prophets have desired to see the things we see and they did not see them we are the chosen generation many prophecies of scripture are being fulfilled before our eyes and there are many more that are about to come the rebirth of the state of israel and the return of the jews to the holy land is prophesied more than any other event in scripture it is a sign of the times theodor herzl is considered to be the father of the modern state of israel in his book the jewish state published 1896 it is said that as a child he saw king messiah in a dream who said to him go declare to the jews that i shall come soon and perform great wonders and great deeds for my people and for the whole world theodor s prophetic dream comes to life in the biblical prophecies presented in this book there is seen in the prophets a great and awesome show of god s mighty power that shall take place in the last days it is a show of god s power that is greater than anything he has done before it is god s grand finale end time events and the return of christ will soon follow

with the end of the first world war the centuries old social fabric of the ottoman world an entangled space of religious co existence throughout the balkans and the middle east came to its definitive end in this new study hans lukas kieser argues that while the ottoman empire officially ended in 1922 when the turkish nationalists in ankara abolished the sultanate the essence of its imperial character was destroyed in 1915 when the young turk regime eradicated the armenians from asia minor this book analyses the dynamics and processes that led to genocide and left behind today s crisis ridden post ottoman middle east going beyond istanbul the book also studies three different but entangled late ottoman areas palestine the largely kurdo armenian eastern provinces and the aegean shores all of which were confronted with new claims from national movements that questioned the ottoman state all would remain regions of conflict up to the present day using new primary material world war i and the end of the ottoman world brings together analysis of the key

forces which undermined an empire and marks an important new contribution to the study of the ottoman world and the middle east
