in this revealing and prophetic look at gods word bestselling author charles capps opens the scriptures surrounding the end of the age pinpointing gods plan for the events that will end this world as we know it this exciting book brings to light types and scriptural composites which god has hidden in the bible for this generation

a personal relationship with jesus christ and the leading of the holy spirit are required as first

steps in understanding the bible god then requires that believers diligently study his word with open hearts and minds as they seek his truth this book is intended as a study aid in understanding bible prophecy questions addressed include how will victory over world terrorism lead to something even more horrifying what can we deduce about the personality and cultural background of antichrist what part does the ancient wailing wall in jerusalem play in prophecy why do so many people believe in a seven year tribulation when the bible teaches that the first half of this period is a time of peace how will religious freedom lead to the outlawing of true christianity why will god allow his people to suffer at the hands of antichrist why do so many people believe in the imminent return of christ when the bible clearly indicates that certain events must happen first why will most of the earth s population look to satan as the world s hope of salvation and see jesus christ as the super villain of the universe

the future prophecies of what is about to happen the destiny of human souls and the end of the entire created order are made known to us in both the old and new testaments of the holy bible fulfilled biblical prophecies of the past give us a glimpse into the bleak future history and contemporary occurrences are testaments to the unfailing precision of bible prophecies over time br generally the bible has many references pointing to the end times but only god knows the time specificity of when these foreboding events will roll out it only serves as a warning to all inhabitants of the earth that the end is imminent we need to prepare to meet the lord to avoid inescapable dangers associated with the end times as espoused by eschatology which has drawn much attention in the christian faith because god loves to reveal his plans to his prophets beforehand br in our generation and civilization god s prophetic clock is ticking with accurate timelines to set the stage for the apocalyptic panoramic events that will characterize the b end time events b as to the milestones of human existence and its cataclysmic dimensions br opinions may vary theologies may conflict and schools of thought may differ relatively even as radio carbon dating falls into the error of anachronism but the scripture has proved to be inerrant reliable and a fail safe about eschatology and the vicissitudes of life b armed with this binocular of god s divine calendar author akinbowale adewumi systematically chronicles the enigmatic events of the immediate and distant future through the last days to the end of time with convincing clarity in this book summarily he attempts to help readers strategically place themselves in a vantage position in the race of life and eternity br unequivocally jesus gave hints on deceivers and false christs the noise of wars nation rising against nation and kingdom against kingdom intense persecution of brethren climatic changes earthquakes in diverse places environmental hazards famines and troubles pestilences love of god waxing cold in many believers lawlessness injustice the trial of faith tribulation hatred maliciousness betrayal untold suffering an abomination of desolation the emergence of a recessive world economy

carelessness and the need for all to watch for obviously almost all events across the world no doubt have continued to confirm that the world is running its full course to drop its worn out garment of the rebellious act unrighteousness disobedience and sin against god hence nobody can claim ignorance of the recent happening across the globe all confirming earlier predictions and prophecies from the prophets that the second coming of our lord jesus christ is at hand for the bible lifts the curtains and gives us a picture of some of the fearful events that will happen after the saints of god have been raptured caught up or taken home to be with the lord actually although many church assemblies or religious circles may give different interpretations to events of the end times the fact remains that no true believer should go through the agony of events in the end time for the gory experiences untold sufferings and fierce judgments are better imagined the reign of the antichrist will reach its height at this time and he will mobilize the world to fight against our lord and saviour jesus christ and the saints nevertheless god in his infinite power will pour out his fierce judgment upon the people on the face of the earth during that time there will be no hidden place for sinners backsliders religious infidels proselytes atheists and all who reject the gospel of salvation that the lord brought for all men for the suffering and anguish will be too much to the point that men will still blaspheme god rather than repent it would be too late to repent at this time because the holy ghost that could bring conviction upon people would have been withdrawn

it has been of great concern to mankind especially christians to know the events that mark

the end time this curiosity was sparked by ancient writings and prophecies that spoke of a time when this present world we live in would come to an end as unpleasant as it seems because of the beautiful memories we've gathered in this age it is certain to happen major religions on earth hold the same belief that this world will one day come to an end the christian faith is not silent on this reality we are in every sense major proponents of this event especially because it concerns our citizenship which is not earthly god's kingdom in this book i will be explaining details regarding end time events as prophesied by jesus christ it will be helpful in preparing your heart in faith as you watch biblical prophecies unfold

bible prophecy expert ron rhodes offers an easy to understand yet detailed chronology and explanation of end times events the chapters are arranged around the major end times themes the rapture the tribulation the millennial kingdom and the eternal state each chapter begins with a list of the specific events it covers making this an extremely user friendly chronological guide to end times biblical prophecy rhodes allows for various interpretations among christians yet the sequence he describes is faithful to the biblical text based on a literal approach to prophecy and held by many bible scholars as readers discover that they really can understand bible prophecy they will come to love and trust the scriptures like never before

babylon and end time events bear testimony of prophetic declaration of daniel and jesus christ political social and economic upheavals plaguing the entire world are indication of fulfillment of profound eschatological prophecies made by daniel and jesus christ more than ever before countries are plagued by global warming floods landslides wars and threats of wars economic vicissitudes volcanic eruptions wild bushfire epidemics global restiveness and starvation thinning with malnutrition on large scale dwarfing scientific ingenuity in line with unpalatable global crises there is need to appraise attitudinal behavior in relation to early prophecies and the need for man to retrace his trajectory the entire world appears to be a cauldron of instability and economic doldrum that has triggered exodus of beleaguered citizenry to more secured climes the entire world sleep on the bed of iniquities that has surpasses that of sodom and gomorrah what will the world look like in the last day the scripture offers fascinating clue in fact the book of revelation devotes one tenth on the both literal and mystery babylon the city of the antichrist's world government but we as christians needs to understand these prophecies antics of antichrist in evolving world order and the spirit of babylon and how it operates individually and corporately in babylon and end time events trusted prophecy expert pastor ejere omoikhojie offers insight into god's word tells us about influence of new babylon in end time take a look at what prophetic scripture says and discover the rampant paganism and evil that will mark the infamous city learn about the deliberate convergence of fulfillment of many ancient prophecies about tribulation and second coming of christ apprehend that god that sees the future has determined how it will

end as events unfold as you explore the bible's prophecies about the last days you will discover that no matter how uncertain the future looks you can have peace knowing that god is in charge

focusing in on end time events defends a posttribulational premillennial perspective of eschatology in which during the darkest hour of the age the mature sons and daughters of god will enter into a dimension of power and glory promised in the scriptures yet until now unknown to human experience in history's darkest hour the glory of god will arise upon his prepared vessels they the first fruits will be to the praise of the glory of his grace resulting in the greatest harvest of souls since the beginning of the age they are the sons of glory the people who know their god who will become strong and do exploits and will instruct many (Dan 11:32-33) they are also referred to in scriptures as the manifest sons of god the man child company who will walk in the spirit and power of elijah and shall live before him even while still ministering on earth the first section of the book is dedicated to establishing from scriptures that instead of the church being removed in a pretribulational rapture her greatest moment during this age awaits the darkest hour when the overcoming church will shine as never before then christ will come the second time at the close of the tribulation for the rest of his church which has been purified in the fires of affliction the arguments presented in support of a pretribulational rapture of the church are all considered in the light of scripture followed by a presentation of the arguments in favor of the rapture taking place at the time of the glorious second coming of christ at the close of the great tribulation

as i visit different congregations i find that 98 percent of them do not teach the truth when it comes to the end times i happen to believe that everyone needs to know the truth when it comes to end time events so they know what to look for such as falling away the tribulation period and the final judgment the bible clearly instructs us to be vigilant i have covered all the events leading up to the return of christ but it also teaches that no one can say for certain that we are living in the end times this is at best a debatable proposition jesus himself repeatedly said that no one knows or can know the day or hour of his return (matthew 24:36 mark 13:32 acts 1:7) to be sure we are surrounded by events and developments that could be interpreted as signs of the end on every corner we see famines earthquakes disasters troubles persecutions wars and rumors of wars (mark 13:7-9) but has there ever been a period in the history of the world when this was not the case

mark davidson author of daniel revisited has created a unique interpretation of end time bible prophecy using the ancient concentric reading method known as chiasmatics lost centuries ago it was rediscovered by seminary scholars in the eighteenth century this reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text when combined with the words meanings we receive a

greater understanding of prophetic scripture in daniel revisited davidson showed us the four signposts four events prophesied in daniel 7 and 8 and revelation 6 to occur in the middle east prior to the rapture and tribulation now in chronicles of the end times chiastic reading has been applied to all of daniel revelation and other books pulling back the veil further to expand our view from four events to all the main events from the middle east to the ends of the earth a chiastic reading of daniel zechariah 1 6 matthew 23 25 and revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others how do daniel 2 and 7 interact and why are the kingdoms metals and beasts what s the purpose of daniel s aramaic chapters and how do they affect the end times which parts of daniel 11 are to be fulfilled in ancient times versus end times what is the real identity of mystery babylon and how does this help us in the end times how do the two scrolls of revelation give greater understanding of the trumpets and bowls what are the seven events of the end times and which one is next this all may seem incredible for one book but is nevertheless true the chiastic reading of bible prophecy revolutionizes our view of the end times and how we read bible end time prophecy

the prophets of old warned that certain key end time prophecies wouldn t be revealed until the time of the end for centuries scholars have curiously wandered through a valley of endless supposition hoping to stumble upon a proper understanding of end time events hence much of our teaching about the latter days is not strongly supported by scripture well finally the the time of the end has come today we can scripturally prove the answers to questions like will the rapture of the church occur before during or after the great tribulation period will the beast really be a man will the door of salvation still be open when the tribulation period ends who or what are the two hundred million killer horsemen in john s vision is our interpretation of end time prophecy emotionally obscured the scripturally sound answers to these questions will likely surprise you
